Docket No. C-2021-3026152
Regarding forms E and H

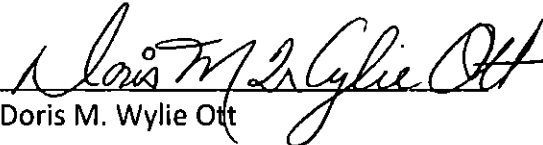

Dear Ms. Chiavetta,

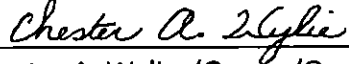

I am writing this letter in response to the Complaint and Suspension notice we received dated, May 19th, 2021. This year we changed insurance companies. We had Eastern Atlantic before we are now with Erie Insurance. There was no lapse in insurance as soon as the one policy ended the other policy was effective. The effective date was May 22, 2021. When I received the suspension notice I forwarded it to Erie, I was told the underwriter was taking care of it.

Yesterday I received an email Complaint Docket No. C-2020-3026152. Right away I started calling. I have talked to Ms. Cathy Royer and a couple other people at the PUC department. Everyone has been wonderful in trying to help in get this taken care of. I asked Erie to please have this matter taken care of today. My agent told me the manager and supervisor at Erie insurance are working on this. I have gotten a couple emails from Erie insurance company saying the forms have been send and confirmation received, but I am going to continue checking on your site to make sure this it is listed as completed.

I will continue to follow up on this and I apologize for any inconvenience this caused your department.

Sincerely,

Doris M. Wylie Ott
