If a Shareholder does not elect to purchase his full portion of said Shares before the expiration of the initial option period, the remaining Shareholders shall have the right to purchase, in the aforesaid proportions, all of the Shares not purchased by giving notice of intention to purchase to the offeror and all other parties hereto on or before the date which is twenty days after the expiration of the initial option period.

The Corporation shall have the right to purchase all of the Shares not purchased by the Shareholders, by giving notice of intention to purchase to the offeror and all other parties hereto within thirty days after the expiration of the initial option period.

The purchase price for each of the Shares purchased by the other Shareholders or the Corporation pursuant to the options provided in this Article 2 shall be the lesser of the purchase price set forth in the offeror's notice or the purchase price determined in accordance with the provisions of Article 6 below.

The following terms and conditions shall apply to the purchase of any Shares pursuant to the options provided in this Article 2:

(a) Not less than **50 percent** of the purchase price of the Shares shall be paid in cash or by certified check by the purchasers to the offeror within ten days after the date on which the notice of intention to purchase was given by the purchasers.

(b) Any balance of the purchase price shall be paid to the offeror in cash or by certified check, or, at the option of the purchasers, in consecutive equal monthly

installments, with the first installment to be due thirty days after the notice of intention to purchase was given by the purchasers, and with each subsequent installment to be due on the same day of each succeeding month. This obligation shall be evidenced by a negotiable installment note to the order of the offeror providing for: (i) interest at the rate of 9 percent per annum on the unpaid principal balance; (ii) the right of prepayment without penalty; and (iii) acceleration of the entire unpaid principal balance in the event of a default in the payment of principal or interest for more than ten days after written notice and demand. Said installment note shall be executed and delivered by the purchasers simultaneously with the payment provided for in clause (a) above.

(c) Upon receipt of the cash payment and the installment note, if any, required in clauses (a) and (b) above, the offeror shall deliver to the Corporation the certificate(s) evidencing the Shares of the offeror, with any other instruments required by the Corporation, so that full and complete title to the Shares can be transferred on the books of the Corporation.

(d) If Shares of the offeror have been purchased by delivery of an installment note, then, after the Shares have been transferred as provided in clause (c), the new certificate for said Shares shall be delivered by the Corporation to the offeror to be held as collateral security for payment of the installment note. If the purchasers are not in default under the installment note, the purchasers shall be entitled to vote said Shares and to receive all dividends payable thereon. Upon payment of all indebtedness evidenced by the installment note, the new certificates for said Shares shall be delivered to the purchasers.

If the other Shareholders and the Corporation do not elect to purchase all of the Shares which are the subject of the offeror's notice, the offeror may sell, donate, pledge, hypothecate, encumber or otherwise transfer the Shares not purchased to the transferee designated in offeror's notice, for the consideration and upon the terms and conditions set forth therein, but not otherwise. If the transfer of all Shares is not completed within sixty days after the expiration of the aforesaid options, such Shares may not thereafter be transferred unless they again are offered to the other Shareholders and the Corporation in accordance with this Article 2.

If the Shares of any Shareholder are involuntarily transferred to a pledgee, judgment creditor, assignee for the benefit of creditors, receiver, trustee in bankruptcy or other person, such transfer shall be deemed to constitute a notice to the other Shareholders and the Corporation, as of the date of such transfer offering to sell all of the Shares effected upon the terms and conditions provided in this Article 2 for a price determined in accordance with the provisions of Article 6 hereof. No pledgee, judgment creditor, assignee for the benefit of creditors, receiver, trustee in bankruptcy or other holder of Shares, without regard to the manner of acquisition of the Shares or the nature of the interest therein, shall sell, donate, pledge, hypothecate, encumber or otherwise transfer any Shares without complying with the provisions of this Agreement in the same manner as if such holder or person asserting the interest in such Shares was named as a Shareholder herein.

3. Death of a Shareholder

Within 60 days after the appointment and qualification of the legal representative or representatives of a deceased Shareholder, or within 120 days after the date of death of a deceased Shareholder if no such legal representative is appointed, such legal representative or representatives or the heirs, distributees or beneficiaries of the deceased Shareholder, as the case may be, and each successor in interest to the Shares of the deceased Shareholder, shall sell to the other Shareholders all of the Shares of the deceased Shareholder. Each of the other Shareholders shall purchase that portion of the Shares of the deceased Shareholder as the number of Shares owned by each bears to the total number of Shares owned by all of the Shareholders (other than the deceased Shareholder).

The purchase price for each of the Shares purchased pursuant to this Article 3 shall be determined in accordance with the provisions of Article 6 below.

4. Purchase Price

For purposes of purchases of Shares pursuant to the provisions of this Agreement, the purchase price for each Share shall be the fair value of each Share as determined pursuant to this Article 4.

Within sixty days after the end of each fiscal year of the Corporation, the parties hereto (including any successors in interest) shall determine the fair value of each Share for the then current fiscal year, and shall execute a certificate of valuation, substantially in the form annexed hereto, setting forth said fair value. The parties hereto at any time may execute a new certificate of valuation, revising the fair value of each Share. The most recent certificate of valuation, duly executed by the parties, shall supersede all prior certificates of valuation. The fair value of each Share as redetermined from time to time shall take into account the tangible and intangible assets of the Corporation, including good will and other relevant factors, and liabilities of the Corporation.

If the parties hereto fail to re-determine the fair value of each Share within sixty days after any fiscal year, the fair value of each Share for the purpose of establishing the purchase price hereunder shall be as agreed upon by the seller and purchaser of the Shares. If they are unable to agree upon the fair value fifteen days prior to the date of the purchase, then the fair value of each Share shall be determined by appraisal as follows:

(a) Not less than ten days prior to the date of the purchase, the seller of the Shares shall appoint one appraiser, and the purchaser or purchasers of the Shares shall appoint one appraiser.

(b) If either the seller or the purchaser (or purchasers) shall fail to appoint an appraiser, the appraiser appointed by the other shall determine the fair value of each Share.

(c) If the two appraisers appointed by the seller and the purchaser (or purchasers) shall fail to agree upon the fair value of the Shares five days prior to the date of the purchase, the two appraisers shall appoint a third appraiser, and the determination of the majority of the appraisers shall be binding upon all parties.

(d) All costs of any such appraisal shall be borne equally by the seller and the purchaser (or purchasers) of the Shares.

5. Actions Requiring Board Approval

The following actions shall be taken by the Corporation only after the unanimous approval of the Board of Directors of the Corporation:

(a) an amendment of the Certificate of Incorporation or By-laws of the Corporation;

(b) the purchase of any interest in the stock, assets or business of any corporation, partnership or other entity other than in the ordinary course of business;

(c) the selection or discharge of the officers of the Corporation;

(d) the merger, consolidation, dissolution, liquidation or cessation of business activities of the Corporation;

(e) the entering into, modification or termination of any lease, contract or agreement with a term of one year or more;

(f) the sale, purchase, transfer, hypothecation or lease of any asset other than in the ordinary course of business;

(g) the borrowing of money;

- (h) the making by the Corporation of any loan or advance to any person, corporation, partnership or other entity;
- (I) the guaranty of any obligation or debt of any third party;
- (j) the making of any capital expenditure of \$10,000 or more;
- (k) the making of capital expenditures which aggregate \$50,000 or more within any fiscal year;
- (l) the declaration or payment of dividends or distributions upon the Shares, unless otherwise provided for in this Agreement;

6. Officers And Directors

The Shareholders shall vote their Shares and otherwise act so as to provide that the directors of the Corporation shall be two in number, consisting of DEBRA SANABRIA and ANTHONY MANGANELLO, and that the officers of the Corporation shall be:

President: DEBRA SANABRIA Vice President: ANTHONY
MANGANELLO Treasurer: DEBRA SANABRIA Secretary: ANTHONY
MANGANELLO

If any director or officer of the Corporation shall cease to be a Shareholder, he shall be deemed to have thereby tendered his resignation as such director or officer. Any directorship or office so vacated shall be filled by a person designated by the successor in interest of the former Shareholder, provided such successor in interest

acquired its Shares in compliance with this Agreement.

Except as otherwise provided in this Agreement, each officer and director of the Corporation shall devote such time and attention to the business of the Corporation as he deems advisable, and shall receive for his services to the Corporation such compensation as the Board of Directors of the Corporation from time to time may determine.

Each officer and director shall receive such compensation as the Board of Directors from time to time may authorize and shall be reimbursed by the Corporation for reasonable expenses incurred in furthering the business of the Corporation, provided said expenses are supported by proper vouchers.

7. Corporate Books And Records

The Corporation shall maintain true, complete and accurate records and books of account. All books and records of the Corporation shall at all times be made accessible and available to the parties hereto and their duly authorized representatives, for examination during reasonable hours, provided that reasonable notice of a party's intention to exercise such rights is given to the Corporation.

8. Transactions With The Corporation

No director or officer of the Corporation shall be disqualified by such directorship or office from dealing or contracting with the Corporation as vendor, purchaser or otherwise. No contract, transaction or act of the Corporation shall be void or voidable or affected by reason of the fact that any such director or officer, or any person, corporation, partnership or other entity in which any such director or officer has an interest or is an officer, director, stockholder or employee, whether or not such interest is adverse to the Corporation. No director or officer having such interest shall be liable to the Corporation or to any Shareholder, or creditor thereof, or to any other person or entity, for any loss incurred by it under or by reason of any such contract, transaction or act; nor shall any such director or officer be accountable for any gains or profits realized thereon. Nothing in this Article 8 shall be deemed or construed to protect any director or officer of the Corporation against any liability to the Corporation or the holders of its Shares to which he would otherwise be subject by reason of willful misfeasance, fraud, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his directorship or office.

9. Covenant Not To Compete

Each of the Shareholders, and Frank Monroig, covenants and agrees not to establish, open, be engaged in, nor in any manner whatsoever become interested,

directly or indirectly, as employee, owner, partner, agent, stockholder, director or officer, or otherwise, in any business, trade or occupation which competes with the business of the Corporation for the period and within the area hereinafter set forth.

The foregoing covenant not to compete shall remain in full force and effect for all of the following time periods: (a) during the entire time that such Shareholder is employed by the Corporation, including any periods of temporary or permanent disability; and (b) during the entire time that such Shareholder is the record owner or beneficial owner of any Shares of the Corporation; and (c) for a period of five years after their retirement from or termination of employment by the Corporation; and (d) for a period of five years after the sale or other disposition of all of such Shareholder's Shares of the Corporation.

The foregoing covenant not to compete shall be effective within the following geographical area: **Nassau and Suffolk Counties. Additionally, the covenant not to compete shall include having direct business relations with then existing clients.**

Notwithstanding the foregoing, this Article shall not prevent any party hereto from owning up to five percent of the stock of any corporation, whether or not it competes with the Corporation, provided that the shares of such corporation are publicly traded on the American Stock Exchange, New York Stock Exchange, NASDAQ, Over The Counter, or other organized and generally recognized stock exchange.

Notwithstanding anything to the contrary contained in this Agreement, any

party hereto may apply to a court of equity or other court of competent jurisdiction for injunctive relief to enforce this Article and/or to obtain monetary damages by reason of a breach of this Article.

10. Issuance Of New Shares Prohibited

It is the intention and agreement of the parties that their respective interests in the Corporation shall not be diluted by the issuance or sale of new Shares. Accordingly, the Corporation shall not issue or sell any additional stock after the date hereof, whether by way of original issue or sale of treasury shares, without the prior written consent of all of the Shareholders.

11. Legend On Certificates

Every certificate representing the Shares shall bear the following legend:

13. Corporate Debt

Each shareholder's responsibility shall be equal to the percentage of his ownership. All shareholders agree to indemnify any shareholder who shall have to make payment to satisfy any corporate debt. All fees expended including reasonable attorneys fees to collect such indemnification shall be recoverable by the party seeking indemnification. Lines of credit and other corporate loans shall be considered corporate debt. Dear Anthony Maganello:

We are pleased that Power 2 Profit Energy Solutions Inc has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Power 2 Profit Energy Solutions Inc could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Power 2 Profit Energy Solutions Inc has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Power 2 Profit Energy Solutions Inc does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Power 2 Profit Energy Solutions Inc changes in the future, Columbia Gas might deem it appropriate to require Power 2 Profit Energy Solutions Inc to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Kylia Davis

Dear Anthony,

National Fuel Gas Distribution Corporation (“NFGDC”) is aware Power 2 Profit Energy Solutions Inc. (PPE) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, PPE must furnish acceptable security to each utility where PPE will do business. As such, under its tariff, NFGDC could require PPE to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC’s understanding that PPE intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, PPE will never take title to any delivered natural gas, nor will it accept any customer payments or deposits.

Based upon your representations, NFGDC has determined that, at this time, PPE does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by PPE change in the future, NFGDC reserves the right to require security from PPE as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Yours truly,

Re: Broker Requirements

Dear Power 2 Profit Energy Solutions Inc:

PECO is aware that Power 2 Profit Energy Solutions Inc has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Power 2 Profit Energy Solutions Inc could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Power 2 Profit Energy Solutions Inc has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, and will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Power 2 Profit Energy Solutions Inc does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Power 2 Profit Energy Solutions Inc the creditworthiness requirement for PECO's exposure to Power 2 Profit Energy Solutions Inc changes in the future, PECO reserves the right to require Power 2 Profit Energy Solutions Inc to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Dear Mr. Manganello:

We are pleased that Power 2 Profit Energy Solutions Inc has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, and Peoples Gas Company LLC (formerly Peoples TWP) (“the Companies”).

Since Power 2 Profit Energy Solutions Inc is not currently serving customers on the Peoples systems, we have determined at this time that Power 2 Profit Energy Solutions Inc does not need a bond or other financial security requirement to provide these services to the Company’s customers.

**RE: Power 2 Profit Energy Solutions, Inc.
Application to Serve as a Natural Gas Broker**

Dear Mr. Manganello,

Based on your assertion that Power 2 Profit Energy Solutions, Inc. ("Power 2 Profit") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division ("UGIU") has concluded that Power 2 Profit will not need to post security with UGIU. This is based on the declaration that Power 2 Profit will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Power 2 Profit wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,

Sherry Epler

However, if the services provided change in the future, we reserve the right to require security from Power 2 Profit Energy Solutions Inc. as deemed appropriate.

ORDER

By the Commission:

I. INTRODUCTION

On February 1, 2021, Power 2 Profit Energy Solutions Inc. (“Applicant”) filed a verified Application with the Illinois Commerce Commission (“Commission”) requesting a certificate of service authority to operate as an agent, broker, or consultant (“ABC”) in Illinois pursuant to Section 16-115C of the Public Utilities Act (“Act”), 220 ILCS 5/1-101 et seq., and 83 Ill. Adm. Code 454, "Licensure of Retail Electric Agents, Brokers and Consultants" (“Part 454”). Applicant requests authority to offer services as an ABC for the procurement or sale of retail electricity supply for third parties in the State of Illinois. Upon review of the Application, Staff of the Commission (“Staff”) requested additional information and clarification of certain matters. On February 8, 2021, Staff filed a Verified Statement recommending that the Commission grant the requested certificate of service authority. The Administrative Law Judge waived the hearing in this matter, entered Staff’s Verified Statement into the record and marked the record “Heard and Taken.”

II. REQUIREMENTS FOR ALL APPLICANTS UNDER SECTION 16-115C OF THE ACT

Applicant is a business organized under the laws of New York and authorized to transact business in Illinois. The Commission notes that the Applicant indicates in the Application that it also does business under the name P2P Energy, but a review of the Illinois Secretary of State website indicates that this assumed business name has not been registered in Illinois. If Applicant wishes to do business under the name P2P Energy in Illinois, that must be registered with the Illinois Secretary of State and the Illinois Secretary of State paperwork must be filed with the Commission’s Clerk’s office. Applicant has certified that it will comply with all applicable regulations; that it will comply with informational and reporting requirements established by Commission rule; that it will comply with informational and reporting requirements pursuant to Section 16-115C of the Act; and that it will comply with all other applicable laws, regulations, terms, and conditions required to the extent they have application to the services being offered by an ABC. Applicant has agreed to ensure that any person who acts on its behalf will comply with all applicable sections of Part 454. Applicant agrees that it will remain in compliance with

the provisions of the Act and Part 454, and will ensure that authorizations received from customers, and all other applicable records are retained for a period of not less than three calendar years after the calendar year in which they were created. Applicant has agreed to adopt and follow rules and procedures to preserve the confidentiality of its customers' data. The Applicant has also attested that no complaints have been filed against it for its provision of services in the electric or gas industry in the jurisdictions where it provides or is seeking to provide services.

III. FINANCIAL, TECHNICAL, AND MANAGERIAL REQUIREMENTS OF SECTION 16-115C

Applicant is required by Section 454.60 to demonstrate that it meets the managerial qualifications necessary to provide services as an ABC. Applicant must further provide an organizational chart that indicates the position of persons which satisfy the managerial qualification. Applicant has demonstrated that it meets the managerial qualifications set forth in Section 454.60 through Attachment C to the Application. Attachment C to the Application contains a corporate organizational chart and identifies the occupational background information of the persons being used to meet the requirements of Section 454.60(a). Attachment C contains occupational background information on the person or persons being used to meet the requirements of Section 454.60(a).

Applicant is required by Section 454.70 to demonstrate that it meets the technical qualifications necessary to provide services as an ABC. Applicant has demonstrated that it meets the technical qualifications set forth in Section 454.70 with the information provided in Attachment C. Attachment C contains occupational background information on the person or persons being used to meet the requirements of Section 454.70(a).

Pursuant to the requirements of Section 454.80 of Part 454, Applicant provided a surety bond in the amount of \$5,000 issued by a qualifying surety authorized to transact business in Illinois. Applicant further agrees to comply with the Code of Conduct for ABCs contained in Section 454.90.

IV. COMMISSION CONCLUSION AND CERTIFICATE OF SERVICE AUTHORITY

The Commission has reviewed the Application and attachments along with the supplementary information provided by Applicant regarding the technical, managerial, and financial requirements and all other requirements of the Act and Part 454 and finds that the Applicant sufficiently demonstrates compliance with the requirements. The Commission concludes, therefore, that Applicant's request for a certificate of service authority to operate as an ABC in Illinois should be granted and should include the following authority:

CERTIFICATE OF SERVICE AUTHORITY

IT IS CERTIFIED that Power 2 Profit Energy Solutions Inc. is granted service authority to operate as an agent, broker, or consultant for the procurement or sale of retail electricity supply for third parties in the State of Illinois.

V. FINDINGS AND ORDERING PARAGRAPHS

The Commission, having reviewed the entire record, is of the opinion and finds that:

- (1) Power 2 Profit Energy Solutions Inc., a business organized under the laws of New York and authorized to transact business in Illinois, seeks a certificate of service authority to operate as an ABC under Section 16-115C of the Act;
- (2) the Commission has jurisdiction over the party hereto and the subject matter hereof;
- (3) the recitals of fact and conclusions reached in the prefatory portion of this Order are supported by the record and are hereby adopted as findings of fact;
- (4) Power 2 Profit Energy Solutions Inc. has demonstrated that it possesses sufficient financial, managerial, and technical resources and abilities to provide services as an ABC for the procurement or sale of retail electricity supply to third parties in the State of Illinois;
- (5) Power 2 Profit Energy Solutions Inc. has complied with Section 16-115C of the Act and Part 454; and
- (6) Power 2 Profit Energy Solutions Inc. should be granted a certificate of service authority to operate as an ABC as specified in this Order.

IT IS THEREFORE ORDERED by the Illinois Commerce Commission that Power 2 Profit Energy Solutions Inc. is hereby granted a Certificate of Service Authority authorizing it to operate as an agent, broker, or consultant; said Certificate of Service Authority shall read as that set forth in Section IV of this Order.

IT IS FURTHER ORDERED that Power 2 Profit Energy Solutions Inc. shall comply with all applicable Commission rules and orders now and as hereafter amended.

IT IS FURTHER ORDERED that pursuant to Section 10-113(a) of the Public Utilities Act and 83 Ill. Adm. Code 200.880, any application for rehearing shall be filed within 30 days after service of the Order on the party.

IT IS FURTHER ORDERED that, subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Adm. Code 200.880, this Order is final; it is not subject to the Administrative Review Law.
