Re: Docket A-2021-3024998

To whom it may concern:

The PA Department of Transportation is preparing to alter the public at grade crossing (DOT 506 378 J) by the installation of new active traffic control devices on Struble Road (T-380) and upgrading the highway traffic signals at the intersection of Struble Road and College Avenue (State Route 0026) in Centre County Pennsylvania. The State College Borough Water Authority does not own or operate any facilities in the area of this project. Kindly remove the State College Borough Water Authority from the correspondence list for this project. Should you require additional information please contact me at the above address or by phone at 814-238-6766 Monday – Friday 8:00 AM to 4:00 PM.

Respectfully,
