**Re: PPL Electric Utilities Corporation Amendments of Easement Agreement;
Union County, Lewisburg, Pennsylvania
U-2021-3026625**

Dear Secretary Chiavetta:

On June 18, 2021, PPL Electric Utilities Corporation ("PPL Electric") filed two (2) Amendments of Easement Agreement between PPL Electric and Union County located in Lewisburg, Pennsylvania and the filing was assigned the above-referenced docket number.

The original agreement was granted by a private landowner, prior to Union County purchasing the property. The June 18, 2021 filing included amendments to those easement agreements granted by the current owner, Union County on May 4, 2021 (collectively the "May 4th Easements").

The June 18, 2021 filing at Docket U-2021-3026625 stated that the May 4th Easements were amending easements that were the subject of the filing at Docket U-2017-2607189. This statement was incorrect, as the May 4th Easements are on different properties and are wholly unrelated to the easements which were the subject of Docket U-2017-2607189. PPL Electric is filing this letter to correct the record and apologizes for any confusion that may have arisen because of this misstatement.

Pursuant to 52 Pa. Code § 1.11, this document is to be deemed filed on July 14, 2021, which is the date it was filed electronically using the Commission's E-filing system.
