Hi Marsha,

The issue was the 2019 RCT-112. For whatever reason it was not in our system. I have sent it to be posted, and Engie Retail is now compliant for GRT purposes. Thanks!

Hi Marsha,

Is this what you're looking for?

Unless I've got the wrong return we show Engie Retail – PA – Gross Receipts tax being last in March 2021.

Thanks,  
Lennie

Tiffany/Lenny, please see below. Please confirm whether or not Think Energy's PA gross receipt taxes have been paid and provide confirmation of same...i.e. a signed report form, an invoice receipt, whatever you have. If it hasn't been paid, then please explain why & when it will be paid. This needs to be taken care of prior to August 1, 2021. Let me know please. Thanks.

**Subject:** ⚠ Engie Retail LLC: Request to Renew Financial Security Reduction by 5%

Good Afternoon,

I am reviewing Engie Retail LLC's 5% Annual Compliance Filing and I have hit a snag. The PA Department of Revenue is telling us Engie Retail LLC is currently not in compliance with its gross receipt taxes. Please contact Jamal Blair at [jblair@pa.gov](mailto:jblair@pa.gov) to sort out this issue. Please file proof that the issue has been resolved. This can be an email from Jamal

that says you are in compliance. Beyond that I did not find any issues with the 5% filing. Please provide the proof of compliance before Engie Retail LLC's financial security expiration/anniversary date.

Thank you for your cooperation.
