**Re: Utility Quarterly Reporting Requirements
Docket No. M-2020-3019244**

Dear Secretary Chiavetta:

In response to Paragraph 9 of the Pennsylvania Public Utility Commission's Order entered October 13, 2020, Ordering Paragraph 2, and further modified by Order entered March 18, 2021, at the above-referenced docket, Pennsylvania-American Water Company ("Company") filed its utility quarterly report for at-risk accounts on July 15, 2021. The report provided for the month of June for Years 2021, 2020 and 2019, the total number of residential and non-residential accounts at risk of termination, and the total aggregate dollars of arrears for residential and non-residential accounts, further defined by vintage. The report also provided the total number of residential and non-residential accounts disconnected for non-payment with dollar amounts owed for June 2021.

At the request of Commission staff, the Company has revised its report to include the months of April and May.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Susan Simms Marsh".
