Re: Assignment of Customer Contracts from CIMA ENERGY SOLUTIONS, LLC (License No. A-2018-3004017) to Major Energy Services, LLC (License No. A-2009-2118836)

Dear Secretary Camacho-Welch,

This correspondence is to jointly notify the Public Utilities Commission and the impacted utilities that Major Energy Services, LLC (“Major Energy”) recently closed a master brokerage agreement with CIMA ENERGY SOLUTIONS, LLC (“CIMA”) As a result, CIMA will be assigning its active and eligible customers to Major Energy pursuant to the assignment rules and that agreement. The effective date of the transfer will be the customer’s first meter read date on/or after providing impacted customers with 30 days’ notice.

Included with this notice is a copy of the letter which provides assigned customers with 30 days advance notice of the transfer. Please see the attached table for the number of assigned gas customers by utility territory. The existing terms and conditions, including current rate will remain the same for the remainder of all existing contract terms. CIMA attests that the contracts being assigned allow for assignment.

Major Energy and CIMA affirm that they are compliant with all assessment, and that their financial security instruments are not expired and are in compliance.

Please contact the undersigned with any questions about this matter.

Kind Regards,

James Stinson

UGI Utilities	574

CUSTOMER NOTICE TEMPLATE

«Customerfirstname» «Customerlastname»
«BillingAddress1», «BillingAddress2»
«BillingCity», «BillingState» «BillingZip»

Utility: «Utility»

Account Number: «UtilityAccountNumber»

INFORMATIONAL LETTER: No action required.

Dear «Customerfirstname» «Customerlastname»,

As a courtesy, CIMA ENERGY SOLUTIONS, LLC (“CIMA”) would like to make you aware of a change that will appear on your utility invoices soon. CIMA has assigned your account to Major Energy Services, LLC (“Major”). Effective with your first meter read date after the assignment transaction on <assignment date>>, your account will now reflect Major as the natural gas supplier on the Natural Gas Supply Charges portion of your bill. Except for this change of name and contact information from CIMA to Major, there will not be any other modification to your rate plan or Terms and Conditions of Service as a result of this assignment.

No action is required on your part when this transfer occurs. Major will honor your current agreement in place with CIMA. This transfer will not cause an interruption of your natural gas supply services and you should continue to pay your «Utility» bill as normal and call «Utility» in case of an outage or emergency just as you do today. The same quality support and service that you are used to with CIMA will continue with Major.

If you have a fixed rate plan with CIMA, your supply service will continue with the same fixed rate and terms until the end of your current contract term, at which time you will receive information regarding an automatic renewal to new terms and conditions, or upon cancellation of service. You may also contact Major directly to see what other options are available to you, including new options with Major when your contract expires. If you have a variable rate plan, your account will continue to be served on a variable rate plan.

If you have any questions about the transfer of service, please contact CIMA by <<Last Date to Call>, thereafter, please contact Major. For your convenience, the contact information is shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your service with Major.

Kind Regards,

Steve Husband
