re: docket C-2021-3027581

**PA PUBLIC UTILITY COMMISSION
SECRETARY'S OFFICE**

In reference to the above docket as a PUC complaint due to non-compliance regarding carrier insurance.

DHB Trucking sold the truck we had licensed and insured on 5-3-2021. At this time our insurance agent was contacted and asked to cancel the insurance. Following the insurance cancellation, as required by the State of PA, the registration plates are required to be sent back to the Commonwealth of PA. This task was completed on 5-17-2021.

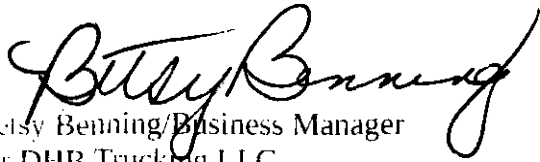

Following the above being handled, The MCS 150 form was updated to instruct the FMCSA to discontinue or "cancel" the US DOT number(1874992) and the MC number 676871.

In the mix, evidently, I've mistakenly erred and neglected to notify the PUC about canceling the PUC number (A-00113486)

My apologies on this overlook.

Please send me any form/s necessary to formally cancel our PUC number for any further use.

Sincerely,

Betsy Benning/Business Manager
