RE: C-2021-3027551

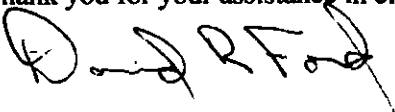

Ms. Chiavetta:

In response to the complaint that has been filed against David Ford by the Bureau of Investigation & Enforcement dated August 4, 2021, I am not guilty of any violation of failure to maintain evidence of insurance with your Commission.

I sold my truck on **June 5, 2021**. The insurance Cancellation Request/Policy Release from WesBanco Insurance Services is dated **June 10, 2021**. Insurance was not cancelled until after the truck was sold. I did not fail to maintain evidence of liability insurance with your Commission and there was no illegal activity.

I filed Form MCS-150 with the out of business notification and filed a final IFTA report. I contacted FMCSA and they responded that both our USDOT number and MC number are inactive and that no further action is needed. My understanding is that no additional notifications of out of business were necessary. Please confirm that my record is clear. I do not plan any future business operations, but I do not want any inaccurate information associated with my name or business.

Thank you for your assistance in clearing this matter.
