**NO ACTION REQUIRED:** Your service will continue under your current service agreement without interruption.

Dear «Customerfirstname» «Customerlastname»,

Starion Energy PA, Inc. ("Starion") has appreciated the opportunity to serve as the Electric Generation Supplier ("Supplier") for your «Utility» account. However, in accordance with your terms and conditions, we are writing to let you know that Starion will assign your electric service to Respond Power LLC dba Major Energy Electric Services ("Major Energy"), another Supplier licensed by the Pennsylvania Public Utility Commission. This change will take effect approximately 30 days after the date of this assignment notice, on approximately «Reassignment\_Date». Major Energy is run by an experienced team of energy experts with decades of retail energy supply and utility experience. The Major Energy team's experience in deregulated energy markets enables them to offer competitive prices and friendly customer service.

**No action is required on your part when this transfer occurs. Major Energy will honor your current agreement in place with Starion, and except for a change in your Supplier, there will be no other changes to the terms or conditions of your current contract. This transfer will not cause an interruption of your electric services and you should continue to pay your «Utility» bill as normal and call «Utility» in case of an outage or emergency just as you do today. You may decline to be assigned to Major Energy in accordance with the cancellation provisions in your current contract with Starion by contacting Starion at the telephone number below. If you decide to not have your contract assigned, you will be returned to your local electric distribution company default service unless you enroll with Major Energy or another supplier. The same quality support and service that you are used to with Starion will continue with Major Energy.**

As set forth in your current contract with Starion, if you have a fixed rate supply plan with Starion, your supply service will continue with the same fixed rate until the end of your contract term or upon cancellation of service. If you are currently served under a variable rate with Starion, your service will continue to be served under a variable rate plan. You may also contact Major Energy directly to see what other options are available to you, including new options with Major energy when your contract expires.
