Subject: PJM Membership Approval - Catalyst Power & Gas, LLC

Welcome to PJM!

Catalyst Power & Gas, LLC has been approved for PJM membership in the Other Supplier sector and will be announced at the Members Committee ("MC") meeting to be held on 9/29/2021. I have attached original copies of your signed agreements to this email.

Those listed as Authorized Representatives and Maintenance Managers on the designation form submitted with the application have access to the Maintenance feature in the Membership Management Community. An Authorized Representative or Maintenance Manager should login to the tool as soon as possible to designate Company Account Managers (CAMs) and Contact Managers for your company.

Company Account Managers (CAMs): Prior to allowing a Member to utilize PJM tools, the Member must designate CAMs. Individuals designated as CAMs will have full rights to manage individual user accounts on behalf of the company in the Account Manager tool. A minimum of two CAMs must be designated per member company account.

Contact Managers: These individuals will be given access to the Contact Management feature in the Membership Management Community allowing members to manage who is representing their company for various member-level roles at PJM. It is important that those listed as Contact Managers create and assign a Billing Contact, Roster Manager, and other required contacts, for your company as soon as possible. A Contact Management Quick Guide has been attached to provide you with more information.

Your company's Client Manager will be reaching out to you within the next week to welcome you and talk about PJM. You can also contact our Customer Service Center at 866-400-8980 should you have any questions in the meantime.

Feel free to visit the following page on our site for a complete list of PJM trainings: <http://www.pjm.com/training.aspx>

Your patience with us during this process and during this time is truly appreciated. And again welcome to PJM!

Thank you,
