Re: Transcript Corrigenda
Case No. C-2020-3019763

Dear Sir/Madam:

Would you please state what arrangements are needed for review of the transcript in the above-referenced case (hearing conducted on July 20, 2021)?

Later, if PPL appeals this case, I may need a copy of the transcript, but at present I only am trying to see if there are errors in the transcript which need to be corrected. For this limited purpose and because of Covid—understanding that I cannot retain the transcript unless it is purchased—will you be able to provide an electronic copy (e.g., .PDF), please?

If necessary, I can come to your headquarters (or preferably a local office) for this review, but I am told that other Commonwealth offices, for good reason, remain closed during the pandemic.

Sincerely yours,

/S/

Lawrence Kingsley
