CONSTITUTING ALL OF THE MEMBERS OF  
THE BOARD OF DIRECTORS OF CURRENT  
ENERGY GROUP, INC.

**BYLAWS  
OF  
CURRENT ENERGY GROUP, INC.**

**ARTICLE I  
OFFICES AND CORPORATE SEAL**

1. Principal Office. The corporation shall maintain a principal office at its known place of business in Maricopa County, Arizona.

2. Other Offices. The corporation may also maintain offices at such other place or places, either within or without the State of Arizona, as may be designated from time to time by the Board of Directors, and the business of the corporation may be transacted at such other offices with the same effect as that conducted at the principal office.

**ARTICLE II  
SHAREHOLDERS**

1. Shareholders' Meetings. All meetings of shareholders shall be held at such place as may be fixed from time to time by the Board of Directors, or, in the absence of direction by the Board of Directors, by the President or Secretary of the corporation, either within or without the State of Arizona, as shall be stated in the notice of the meeting or in a duly signed waiver of notice thereof.

2. Annual Meetings. Annual meetings of shareholders shall be held within the last month of the fiscal year of the Corporation, or at such other date and time as shall be designated from time to time by the Board of Directors and stated in the notice of the meeting. At the annual meeting, shareholders shall elect a Board of Directors and transact such other business as may properly be brought before the meeting.

3. Notice of Annual Meeting. Written notice of the annual meeting stating the place, date, and hour of the meeting shall be given to each shareholder of record entitled to vote at such meeting not less than ten or more than fifty days before the date of the meeting. Shareholders entitled to vote at the meeting shall be determined as of four o'clock in the afternoon on the day before notice of the meeting is sent.

4. List of Shareholders. The officer who has charge of the stock ledger of the corporation shall prepare and make, at least ten days before every meeting of shareholders, a complete list of the shareholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address and the number of shares registered in the name of each shareholder. The list may be examined by any shareholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any shareholder present.

5. Special Meetings of Shareholders. Special meetings of the shareholders, for any purpose or purposes, unless otherwise proscribed by statute or by the Articles of Incorporation, may be called by the President and shall be called by the President or Secretary at the request in writing of shareholders owning a majority in amount of the entire capital shares of the corporation issued, outstanding, and entitled to vote. Such request shall state the purpose of the proposed meeting.

6. Notice of Special Meetings. Written notice of a special meeting stating the place, date, and hour of the meeting and the purpose for which the meeting is called shall be given, not less than ten nor more than fifty days before the date of the meeting, to each shareholder of record entitled to vote at such meeting. Business transacted at any special meeting of shareholders shall be limited to the purposes stated in the notice. Shareholders entitled to vote at the meeting shall be determined as of four o'clock in the afternoon on the day before notice of the meeting is sent.

7. Quorum and Adjournment. The holders of a majority of the shares issued, outstanding, and entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum at all meetings of the shareholders for the transaction of business except as otherwise provided by statute or by the Articles of Incorporation. If, however, a quorum is not present or represented at any meeting of the shareholders, the shareholders entitled to vote at the meeting, present in person or represented by proxy, shall have power to adjourn the meeting to another time or place, without notice other than announcement at the meeting at which adjournment is taken, until a quorum is present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each shareholder of record entitled to vote at the meeting.

8. Majority Required. When a quorum is present at any meeting, the vote of the holders of a majority of the voting power present, whether in person or represented by proxy, shall decide any question brought before the meeting, unless the question is one upon which, by express provision of the statutes or of the Articles of Incorporation, a different vote is required, in which case the express provision shall govern and control the decision of the question.

9. Voting. At every meeting of the shareholders, each shareholder shall be entitled to one vote in person or by proxy for each capital share having voting power held by the shareholder, but no proxy shall be voted or acted upon after eleven months from its date, unless the proxy provides for a longer period.

10. Action without Meeting. Any action required or permitted to be taken at any annual or special meeting of shareholders may be taken without a meeting, without prior notice, and without a vote, if a consent in writing, setting forth the action so taken, is signed by the holders of all of the outstanding shares entitled to vote with respect to the subject matter of the action.

11. Waiver of Notice. Attendance of a shareholder at a meeting shall constitute waiver of notice of the meeting, except when attendance at the meeting is for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Any shareholder may waive notice of any annual or special meeting of shareholders by signing a written notice of waiver either before or after the time of the meeting.

### **ARTICLE III DIRECTORS**

1. Number. The number of Directors that shall constitute the whole Board shall be at least one (1), but not more than three (3) as established by a majority vote of the Shareholders at any annual meeting. The Directors shall be elected at the annual meeting of the shareholders, except as provided in Section 2 of this ARTICLE III, and each Director elected shall hold office until his or her successor is elected and qualified. Directors need not be shareholders.

2. Vacancies. Vacancies and newly created directorships resulting from any increase in the authorized number of Directors may be filled by the affirmative vote of a majority of the remaining Directors then in office, though not less than a quorum, or by a sole remaining Director, and the Directors so chosen shall hold office until the next annual election and until their successors are duly elected and qualified, unless sooner displaced. If there are no Directors in office, then an election of Directors may be held in the manner provided by statute.

3. Powers. The business and affairs of the corporation shall be managed by its Board of Directors, which may exercise all powers of the corporation and do all lawful acts as are not by statute, the Articles of Incorporation, or these Bylaws directed or required to be exercised or done by the shareholders.

4. Place of Meetings. The Board of Directors of the corporation may hold meetings, both regular and special, either within or without the State of Arizona.

5. Annual Meetings. The first meeting of each newly elected Board of Directors shall be held immediately following the annual meeting of shareholders and in the same place as the annual meeting of shareholders, and no notice to the newly elected Directors of the meeting shall be necessary in order legally to hold the meeting, providing a quorum is present. If the meeting is not held, the meeting may be held at the time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors, or as shall be specified in a written waiver signed by all of the Directors.

6. Regular Meetings. Regular meetings of the Board of Directors may be held without notice at the time and place as shall from time to time be determined by the Board.

7. Special Meetings. Special meetings of the Board may be called by the President or the Secretary upon one (1) day's notice to each Director, either personally, by telephone, fax or electronic mail, or upon three (3) days' notice if by regular mail; special meetings shall be called by the President or Secretary in like manner and on like notice on the written request of a Director.

8. Quorum. A majority of the membership of the Board of Directors shall constitute a quorum, and the concurrence of a majority of those present shall be sufficient to conduct the business of the Board, except as may be otherwise specifically provided by statute or by the Articles of Incorporation. If a quorum is not present at any meeting of the Board of Directors, the Directors then present may adjourn the meeting to another time or place, without notice other than announcement at the meeting, until a quorum is present.

9. Action without Meeting. Unless otherwise restricted by the Articles of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or committee.

10. Committees. The Board of Directors, by resolution adopted by the whole Board, may designate from among its members an executive committee or one or more other committees. Members of the committees shall serve at the pleasure of the Board of Directors, and each member of any committee may be removed with or without cause at any time by the Board of Directors acting at a meeting or by unanimous written consent. If any vacancy occurs in any committee, the vacancy shall be filled by the Board of Directors. The executive committee, if any, shall have and may exercise the powers of the Board of Directors in the management of the business and affairs of the corporation, but shall not possess any authority of the Board of Directors prohibited by law. Any other committee designated by the Board of Directors shall have and may exercise only the powers that are expressly granted thereto by the whole Board and which are not prohibited by law.

11. Compensation. The Directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or stated salaries as Directors. No payment shall preclude any Director from serving the corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings. The amount or rate of compensation of members of the Board of Directors or of committees shall be established by the Board of Directors and shall be set forth in the minutes of the Board.

12. Waiver of Notice. Attendance of a Director at a meeting shall constitute waiver of notice of the meeting, except when the person attends the meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Any Director may waive notice of any annual, regular, or special meeting of Directors by signing a written notice of waiver either before or after the time of the meeting.

13. Miscellaneous Duties. If any payments made to an officer of the corporation, including, but not limited to, amounts paid as reimbursed expenses, amounts paid under the corporation's medical expense or diagnostic procedures reimbursement plan, if any, salary, bonus, commission, interest, rent, entertainment expense, or any other form of compensation or fringe benefit paid by the corporation to or on behalf of the officer, are disallowed by the federal or any state government as a deductible expense to the corporation for purposes of computing the corporation's federal or state income taxes, the officer shall repay to the corporation the

disallowed amount within ninety (90) days after notice by the corporation to the officer that it does not intend to further contest said disallowance by administrative or court proceedings. The corporation shall not be obligated to contest or appeal any assessment made by any federal or state government against the corporation.

The Board of Directors shall enforce payment to the corporation of any amount disallowed. In lieu of payment by an officer, and subject to the determination of the Board of Directors, proportionate amounts may be withheld from future compensation paid to the officer until the sum due the corporation has been paid in full. It shall be the duty of the Board of Directors to provide written notice to each officer of this provision.

#### **ARTICLE IV OFFICERS**

#### **Background**

We at Current Energy and Renewables Inc are licensed by the Pennsylvania Public Utility Commission to offer and supply electric generation services in Pennsylvania.

Our PA PUC license number is A-XXXX-XXXXXXX.

We set the generation prices and charges that you pay. The Public Utility Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

You will receive a single bill from *(billing agent name)* that will contain *(Electric Distribution Company name)* charges and *(EGS name)* charges.

**Right of Rescission** - You may cancel this agreement at any time before midnight of the third business day after receiving this disclosure. You can contact us by phone, in writing or electronically (if available) to cancel this agreement. See Section 11 for how to contact us.

## Definitions

*(Use the terms in accordance with the glossary posted at [www.papowerswitch.com](http://www.papowerswitch.com).)*

*Generation Charge* - The charge for producing electricity.

*Transmission Charge* - Charge for moving high voltage electricity from a generation facility to the distribution lines of an electric distribution company.

*Non-basic Charges* - *Define each non-basic service being offered.*

## Terms of Service

### 1. (a) Basic Service Prices - *Itemize Basic Services you are billing for and their prices.*

#### **FIXED PRICE:**

You will pay a fixed price of *(EGS price)* per kWh for electric generation service.

#### **VARIABLE PRICE:**

You will pay a variable price that can change *(monthly, quarterly, etc.)*. The price for the first billing period will be *(EGS price)*.

*If the price can change each billing period, this needs to be disclosed in a larger type size.*

*The supplier shall disclose the factors the supplier will rely upon to establish the variable price.*

*Describe when and how the customer will be notified of price changes. If the customer will not know the price until the time of billing, this must be disclosed in a larger type size.*

*Suppliers are to include any variable pricing conditions and limits. If there are no limits, the EGS shall clearly and conspicuously state that there is no limit on how much the price may change from one billing cycle to the next. Information on the limits of price variability, or the lack of limits, must appear in a larger type size.*

More information about this variable price product, including what this price has been for the past 24 months, can be found at ([www.cpg-energy.com](http://www.cpg-energy.com) ) or you can

call 1 (800) 975-7202. However, please remember that past prices do not indicate present or future prices. *(If a price history is not available and the offer is materially different from other offers made by the supplier, the supplier shall disclose this fact).*

**INTRODUCTORY PRICE:**

You will pay a fixed price of *(EGS price)* per kWh for electric generation service for the first (number) billing periods. You will then pay a fixed price of *(EGS price)* per kWh for electric generation service for the remaining billing periods.

**NON-kWh PRICE:**

*If a customer is not to be billed under a price per kilowatt-hour structure, clearly explain the pricing structure and what the customer's price for generation charges will be for given period of time.*

**TIME-OF-USE PRICE:**

*Clearly explain the pricing structure and what the customer's price for generation charges will be for specific time periods. This information should be presented in a table-format. Example:*

Time	8:00 am – 5:00 pm	5:00 pm to 9:00 pm	9:00 pm to 8:00 am
Price Per kWh	X.XX cents	X.XX cents	X.XX cents

*For all products: Explain what is included in this price. The EGS's basic service price should include everything that is included in the EDC's Price-to-Compare. Suggested language: "This price includes Transmission Charges (if applicable) and estimated Total State Taxes, including the Gross Receipts Tax, but excludes applicable state and local Sales Tax." Contact the electric distribution utility to determine if transmission charges are included in their price-to-compare.*

*If the product:*

- *Changes price depending upon customer usage (such as a declining or inclining block rate structure), or;*
- *Includes add-on fees, or;*
- *Is a fixed monthly price (flat unlimited price) that does not change based customer usage; the following table displaying the resulting per-kWh price at three usage levels must be included:*

Generation Price at Various Usage Levels	Usage:	500 kWh	1,000 kWh	2,000 kWh

The penalty/fee should be listed as a dollar amount or explained so that the customer can easily determine the amount of the penalty. The explanation must include a statement advising the customer that the customer will not be subject to a penalty of fee if the customer terminates the contract at any time between the date the options notice is issued and the expiration of the contract. The print size for this section must be larger than the print in the rest of the disclosure, but not less than 12-points.*
