**Re: Petition of Twin Lakes Utilities, Inc. for a Commission Order Authorizing the
Acquisition of Twin Lakes Utilities, Inc. by a Capable Public Utility Pursuant to 66
Pa.C.S. § 529
Docket No. P-2020-3020914**

Dear Secretary Chiavetta:

Pursuant to Ordering Paragraph 14 of the Opinion and Order of the Pennsylvania Public Utility Commission (“Commission”) entered in the above-captioned proceeding on January 14, 2021 (“*Receivership Order*”), Aqua Pennsylvania, Inc. (“Aqua”) filed its Third Status Report regarding the operations of the water system of Twin Lakes Utilities, Inc. (“TLU”) on September 21, 2021.

Since Aqua filed the Third Status Report, it has become aware that the Shohola Township Board of Supervisors has received two applications from residents for well permits within the Sagamore Estates planned community. True and correct copies of letters from the Shohola Township Board of Supervisors to Aqua are attached hereto as Appendix A. As noted in the letters, the permits were initially denied; however, an appeal of each has been taken and an appeal hearing for each permit application is scheduled for October 14, 2021. Aqua is also aware of prior well permit applications being approved on appeal. Aqua hereby submits this letter and associated Appendix A as a supplement to its Third Status Report, in order to keep the Commission apprised of more recent developments that could impact the operations of the TLU water system.
