Re: Municipal Contract – Utility Construction Agreement between Duquesne Light Company and Allegheny County
Docket No. U-2021-_____

Dear Secretary Chiavetta:

Enclosed for review and approval in accordance with Section 507 of the Public Utility Code, 66 Pa.C.S. § 507 and 52 Pa. Code § 3.101, is a Utility Construction Agreement (Agreement) between Duquesne Light Company (DLC) and Allegheny County (County).

The Agreement sets forth the scope of construction and improvements to be performed by DLC to support the County's rehabilitation of the Roberto Clemente Bridge, which is located in the City of Pittsburgh, Allegheny County. As noted in Paragraph 5 of the Agreement, the County will reimburse DLC for its direct and indirect costs associated with the rehabilitation upon completion of DLC's work. As shown on Exhibit B of the Agreement, DLC estimates its work will cost approximately \$395,000.

Should you have any questions regarding the enclosed right of way, please contact Kyle Tessmer at 412-393-7813.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "Emily M. Farah", is written over a blue circular stamp.

UTILITY CONSTRUCTION AGREEMENT

THIS AGREEMENT, made and entered into this 18 day of August, 2021, by and between the County of Allegheny, Commonwealth of Pennsylvania, (hereinafter the "COUNTY"),

A
N
D

DUQUESNE LIGHT COMPANY, a utility, with its principal place of business located at 411 Seventh Avenue, Pittsburgh PA 15219, (hereinafter the "UTILITY");

WITNESSETH:

WHEREAS, the COUNTY is about to improve and/or reconstruct the Roberto Clemente (6th Street) Bridge, County Project No. AL02-0801, located in the City of Pittsburgh, Allegheny County, Pennsylvania (hereinafter the "Project"); and,

WHEREAS, this improvement and/or construction is being made under the terms of Agreement Number R21110008 entered into between the COUNTY and Commonwealth of Pennsylvania, Department of Transportation (the "Department"), which provides, inter alia, that the Department is acting as an agent of the Federal Highway Administration to coordinate the design and construction of the Project; and,

WHEREAS, the Project, designated by the Federal Highway Administration as Project Number X111-136, will be funded, in part, through moneys received from the Federal Highway Administration; and,

WHEREAS, the Project will require the adjustment, transfer and/or reconstruction of certain of the UTILITY's facilities, 100 percent in public right-of-way; and 0 percent of which are presently located outside the existing public right-of-way; and,

WHEREAS, utility facilities transferred to or remaining at a location within the public right-of-way of a federally-aided highway project will be accommodated in accordance with Chapter 23 Part 645, Subpart B, of the Code of Federal Regulations issued by the Federal Highway Administration, United States Department of Transportation; and,

WHEREAS, in conjunction with the Project, UTILITY has requested the COUNTY to include certain work as the UTILITY desires to be performed by the within COUNTY'S construction contractor as part of the COUNTY'S bridge construction agreement;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency is hereby acknowledged, and with intent to be legally bound, the parties agree as follows:

1. The Recitals of this Agreement are incorporated herein by reference as if fully set forth at length.

2. The COUNTY will provide, through its contractor(s), the removal of existing Duquesne Light conduit, brackets and manhole cages, and the installation of new electrical conduits, conduit brackets and manhole cages, with such conduits, brackets and manhole cages being supplied, in their entirety by UTILITY, as shown on the construction drawings dated July 6, 2021 (the "Construction Drawings") between Station 5+48.83 and Station 16+63.72, which were approved by UTILITY on July 6, 2021 and are incorporated herein as if fully set forth in their entirety. A true and correct copy of the Construction Drawings are attached hereto as Exhibit A. The UTILITY will slide out the conduit on the sidewalk bracket to allow for light pole base clearance. Said installed UTILITY facilities on the bridge as well as material supplied that is not installed will be the property of the UTILITY. Conduits, brackets and manhole cages ("Property") that are being removed will become the property of the COUNTY'S contractor except for any material that requires hazardous disposal. Costs for additional work directed by UTILITY, not included in this scope of work, will become an amendment to this agreement. UTILITY MAKES NO REPRESENTATIONS OR WARRANTIES EITHER EXPRESS OR IMPLIED AS TO THE CONDITION OF THE PROPERTY BEING REMOVED BY COUNTY'S CONTRACTOR. THE PROPERTY IS ACCEPTED "WHERE IS" AND "AS IS" IN ITS PRESENT LOCATION. COUNTY shall be liable for, and hold UTILITY harmless from and against, injury or death to any person, any damage to property, real or personal, or any other liabilities claimed by any person or entity allegedly caused by the removal and/or disposal of the Property.
3. The UTILITY will provide engineered approved design plans, coordination with COUNTY'S contractor with field work and inspections, disposal costs of hazardous waste generated from UTILITY'S existing facilities; approach tie-ins and components as shown in the Construction Drawings; completion of final connections; all testing; and restoration to existing condition all infrastructure disturbed by UTILITY. All materials and goods supplied by UTILITY will adhere to the provisions of the FHWA "Buy America" construction program guide.
4. The COUNTY warrants that the work performed by COUNTY'S contractor shall be provided in accordance with the requirements of this Agreement, including Exhibit A, and the industry-standard for such work COUNTY and/or COUNTY'S contractor shall notify UTILITY when the work has been completed and provide two weeks advance notice to UTILITY before accesses are removed. Before any subsequent work progresses, UTILITY shall inspect the work and notify COUNTY and/or COUNTY'S contractor in writing that (a) the work is satisfactory and is acceptable to UTILITY or (b) the work or parts thereof do not conform to the Agreement (Notice of Nonconformity"). Within seven (7) calendar days of receiving a Notice of Nonconformity from UTILITY, COUNTY shall direct its Contractor to correct all nonconforming work at the COUNTY'S and/or the Contractor's, however appropriate, sole expense. If the work still does not conform to the Agreement, UTILITY, shall have the option to reperform the work or hire a third party to reperform the work and deduct the costs from the final actual direct and indirect costs invoiced, as set forth in Paragraph 5 below, to UTILITY.

5. Upon completion of work expected by this Agreement, the COUNTY shall provide to the UTILITY the actual direct and related indirect costs thereof, and the UTILITY shall pay to the COUNTY 100 percent of the actual direct and related indirect costs, an amount estimated to be THREE HUNDRED NINETY FIVE THOUSAND DOLLARS (\$395,000.00) dollars for the work described herein and itemized in Exhibit "B", which is attached and made part of this Agreement. The COUNTY will award the contract to the lowest responsible bidder for the Project; the total cost of which will include the cost for the direct and indirect costs for work described in Paragraph 2. Payment of the estimated amount (\$395,000.00) is required within 60 days of receipt of the COUNTY'S invoice. Final payment adjustments will be made within 60 days of approved bid amount. Any failure to make payment when due shall bear interest at the rate of ten (10%) percent per annum.
6. If the UTILITY fails to perform any of the terms, conditions or provisions of this Agreement, including, but not limited to any default of payment, the COUNTY may suspend or eliminate some or all services listed within this contract. Before invoking this provision, COUNTY must provide notice in writing to UTILITY of its alleged performance deficiency and provide the UTILITY with an opportunity to cure.
7. If for any reason, the bridge project referred to herein should be cancelled, abandoned, or revised in such a manner that the work described in Paragraph 2. of this Agreement should no longer be required, then in such event, the only amount payable to the COUNTY shall be the actual and related indirect cost of the work actually completed at the time of notification by the COUNTY of said cancellation, abandonment, or revision. In addition, if the bridge project is cancelled, abandoned, or revised in the middle of the project and UTILITY is left without working facilities, COUNTY shall reimburse UTILITY for the cost to return UTILITY to a working condition.
8. The UTILITY shall and does hereby agree also to indemnify, protect, and save harmless the COUNTY from and against all loss, damages, expenses, claims and demands that may result by reason solely of the grossly negligent, reckless, or wanton acts of the UTILITY's agents and employees in connection with UTILITY'S performance of its work pursuant to this Agreement.
9. MODIFICATION OR AMENDMENT
 - a. This Agreement constitutes the entire agreement of parties on the subject matter hereof and the parties may not change, modify, discharge or extend it except by a duly executed written amendment or change order.
 - b. No representations or warranties shall be binding upon COUNTY unless expressed in writing herein or in a duly executed amendment or Executive Action related hereto.
 - c. No change, modification, discharge or extension involving the specified scope of services, products, time schedule or compensation for the Work shall be

binding upon the COUNTY unless memorialized via a duly executed amendment or change order.

10. UTILITY may not assign, subcontract or otherwise delegate its duties under this Agreement except as permitted by this Agreement or as may be consented, in writing, by the COUNTY. If UTILITY contractors are approved, all approved contractors will submit to the COUNTY the insurance requirements as stated in Exhibit "C" which is attached and made part of this Agreement.
11. All notices required to be given pursuant to the terms and provisions of this Agreement shall be in writing, sent by certified mail, return receipt requested, prepaid, and shall be addressed as follows:

TO COUNTY: Allegheny County Department of Public Works
501 County Office Building
542 Forbes Avenue
Pittsburgh, PA 15219
ATTENTION: Director

TO UTILITY: Duquesne Light Company
1901 Edison Street
Glenshaw, PA 15116
ATTENTION: Mr. Kyle Tessmer

Or such other address as either party shall subsequently advise the other.

12. This Agreement shall be binding upon and inure to the benefit of the parties hereto, and their respective successors and assigns.
13. The validity, interpretation and performance of this Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania. The provisions of this Agreement shall be deemed severable and if any portion shall be held invalid, illegal or unenforceable for any reason, the remainder of this Agreement shall be effective and binding upon the parties. UTILITY agrees that it fully understands the meaning of the above referenced provisions and that in connection therewith, it has by its executive officers, examined the project site and fully understands the character of the Work to be done under this Agreement.
14. COUNTY shall be solely responsible for the application of the terms of this Agreement to COUNTY'S contractor as necessary to bind such contractor to the obligations of COUNTY in this Agreement.

15. EXAMINATION OF FINANCIAL DOCUMENTS

UTILITY shall maintain books, program and financial records, documents and other evidence pertaining to costs and expenses related to this Agreement in such detail as will properly reflect all costs of labor, materials, equipment, supplies, services and

other costs and expenses of whatever nature for which County funding has been provided under the provisions of this Agreement. The UTILITY shall maintain such books, records, documents and other materials in accordance with Generally Accepted Accounting Principles, where applicable. The UTILITY shall provide access, during normal business hours, to such books, program and financial records, documents and other evidence upon request of the County Manager, the county Controller or their designees upon receipt of reasonable advance notice, either oral or written. UTILITY's books, records, program and financial records, documents and other evidence pertaining to services provided under this Agreement shall be preserved and made available for a period of three (3) years following the termination of this Agreement. The County Manager, the County Controller or their designees may audit, examine, review, photocopy, and/or make excerpts or transcripts of any UTILITY's books, records, program and financial records, documents and other evidence. Any deficiencies noted in any audit reports or otherwise must be fully resolved by the UTILITY, to the County's sole satisfaction, within thirty (30) days after the UTILITY's receipt of written notice of such deficiencies. Failure of the UTILITY to comply with the provisions set forth in this paragraph may constitute a violation of this Agreement and, at the County's sole discretion, may result in the County withholding future payments.

16. AGREEMENT DURATION

UTILITY will file a copy of this Agreement with the Pennsylvania Public Utility Commission as required by Title 66, Section 507 of the Public Utility Code and this Agreement shall become effective upon the award of a successful bid, but no sooner than 30 days from the execution of this Agreement and will expire on December 31, 2024.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement on the date first above written.

Exhibit "A"

ITEM 9000-7001 - REMOVAL OF DUQUESNE LIGHT CONDUITS, BRACKETS AND MANHOLE CAGES

DESCRIPTION - This work is the removal and proper disposal of existing steel conduits, conduit brackets and manhole cages and hatches. There are nine 4-inch diameter steel conduits on the bridge, approximately 96 steel conduit bracket assemblies and three steel manhole cages and five hatches. Removal of the existing wires from inside the conduits is also included. Once Duquesne Light and other communication companies have energized the temporarily relocated wires, the existing wires, conduits, conduit brackets, manhole cages and hatches become the property of the Contractor.

CONSTRUCTION - Remove and properly dispose of the existing wiring, steel conduits, structural steel manhole cages and hatches. Coordinate with Duquesne Light to determine when the conduits can be removed and disposed of. The removal will consist of but not necessarily be limited to the following:

- Existing wiring
- Nine 4-inch diameter steel conduits
- Conduit splices and expansion joints
- U-bolts, nuts, washers, and saddles at anchor points
- Guniting that is encasing the conduits at the north approach span, Span 5
- Three structural steel manhole cages
- Five Hatch assemblies

MEASUREMENT AND PAYMENT - Lump Sum

ITEM 9000-7002 – INSTALLATION OF DUQUESNE LIGHT MANHOLE CAGES AND HATCHES

DESCRIPTION - This work is the installation of fabricated structural steel as supplied by Duquesne Light for manhole cages and hatches.

MATERIAL - Structural steel and all necessary appurtenances will be supplied by Duquesne Light for the contractor to install. It is anticipated that there will be three manhole cages and five hatches to install.

CONSTRUCTION - In accordance with applicable parts of Section 1050.3 and as follows:

a. General.

1. Install manhole cages and hatches as indicated on the attached Duquesne Light Drawings.
2. Verify all dimensions in the field before installation
3. Coordinate with Duquesne Light to inspect the installation of the manhole cages and hatches in coordination with Item 9000-7003 Installation of Duquesne Light Conduit Brackets and Conduits

b. Cleaning Connection Areas.

Clean existing steel in areas where connection of new steel is to be made in accordance with the drawings and Special Provisions.

c. Painting.

Paint new steel in accordance with the Special Provisions.

MEASUREMENT AND PAYMENT - Lump Sum

Painting of structural members is included in other items.

ITEM 9000-7003 – INSTALLATION OF DUQUESNE LIGHT HANGER BRACKETS AND CONDUITS

DESCRIPTION - This work is the installation of fabricated structural steel as supplied by Duquesne Light for conduit brackets, as well as the installation of fiberglass conduits and fish rope as supplied by Duquesne Light, and as shown on the attached Duquesne Light Drawings. It does not include installation of the wire in the conduits, which will be performed by Duquesne Light.

MATERIAL - Brackets and all necessary appurtenances will be supplied by Duquesne Light for the contractor to install. It is anticipated that there will be 96 bracket locations (6 with a singular support bracket and 90 with two separate support brackets). Conduits and fish rope as supplied by Duquesne Light to the contractor. It is anticipated that there will be 10 5-inch diameter conduits to install from "Manhole #1" to the North Abutment and 12 5-inch diameter conduits from "Manhole #1 to the South Abutment (approximately 11,000 linear feet of conduit).

CONSTRUCTION –

a. Brackets

In accordance with applicable parts of Section 1050.3 and as follows:

1. General

- Install brackets as indicated on the attached Duquesne Light Drawings
- Verify all dimensions in the field before installation of the brackets

2. Cleaning Connection Areas

- Clean existing steel in areas where connection of new steel is to be made in accordance with the drawings and Special Provisions.

3. Painting.

- Paint new steel in accordance with the Special Provisions.

b. Conduits

- Install conduits as indicated on the attached Duquesne Light Drawings
- Coordinate installation of conduit and fish rope with Duquesne Light
- Installation also includes installation of fiberglass plates between the conduit and support brackets at every bracket, wobble couplers, O-ring expansion joints, U-bolts, nuts, and washers, slip collars and any other miscellaneous material required by Duquesne Light to properly install the new conduits.

c. After access to the brackets and conduits is possible, coordinate with Duquesne Light to inspect all of the conduit brackets and conduits. Coordinate with Item 9000-7002 Installation of Duquesne Light Manhole Cages and Hatches.

MEASUREMENT AND PAYMENT - Lump Sum

Painting of structural members is included in other items.

Summary:

Authorization to enter into a Reimbursement Agreement with the Duquesne Light Company for 100% reimbursement of facility improvements requested by the utility during the Rehabilitation of the Roberto Clemente (6th Street) Bridge.

Explanation:

The Department of Public Works (Engineering) respectfully requests authorization to enter into an Agreement with the Duquesne Light Company to perform facility improvements requested by the utility company and seek 100% reimbursement for the improvements in connection with the Roberto Clemente (6th Street) Bridge Rehabilitation Project.

The proposed work includes installation of new electrical conduits, support brackets and manhole cages underneath the upstream sidewalk for the full length of the bridge. The material will be furnished by the utility company but will be installed by the County's contractor. The pre-bid estimate of the proposed work is \$395,000.00. Reimbursement to the County will be based on the actual bid prices.
