**RE: Agway Energy Services LLC Request to Maintain Reduction in Financial Security Amount of 5% of Gross Receipts
Docket No. A-2011-2277881**

Dear Secretary Chiavetta:

We represent Agway Energy Services LLC ("Agway"), a licensed electrical generation supplier ("EGS") in the Commonwealth of Pennsylvania. Agway applied for an EGS license in 2011 and the Pennsylvania Public Utility Commission ("Commission") opened Docket No. A-2011-2277881 for that purpose. The Commission granted Agway a EGS license in April 2012 and designated Agway's EGS license number as A-2011-2277881.

It has recently been brought to our attention that the Commission does not have a record of Agway's 2020 Request to Maintain Reduction in Financial Security Amount of 5% Gross Receipts. As such, Agway is hereby withdrawing the request to "maintain reduction" and will be submitting a petition for reduction.

Thank you for your time and attention to this matter. If you have any questions or concerns, please contact me to discuss.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Coyle', is positioned above the printed name 'John D. Coyle'.
