**RE: UGI Financial Security Requirements**

Dear Mr. Willetts,

UGI Utilities, Inc.–Gas Division (hereinafter “UGIU”) has reviewed the application of Grand Energy, LLC (hereinafter “Grand Energy”) for approval to operate as a Natural Gas Supplier. Based on this review and the requirement that Grand Energy must post security as specified in the UGIU Supplier Coordination Tariff before it serves customers on the UGIU distribution systems, UGIU has determined that Grand Energy has demonstrated adequate creditworthiness to satisfy any costs UGIU may incur in the event they operate as a supplier of last resort due to a default on the part of Grand Energy. Such security forms and amounts can be found in Section 8 of UGIU’s Gas Choice Tariff No. 7S at <https://ugi.outsystemsenterprise.com/UGITariff FO/Tariffs>.

This determination may change in the event there is a material deterioration in Grand Energy’s financial condition, if Grand Energy’s obligations to UGIU exceed the amount of the financial security provided, if the financial security is withdrawn or is deemed to be null and void or inadequate due to the material financial deterioration of any guarantor, or if Grand Energy fails to abide by the terms and conditions of the UGIU Gas Tariff and the UGIU Natural Gas Supplier Coordination Tariff.

Please feel free to contact me with any additional questions you may have.

Sincerely,

Sherry Epler  
Senior Manager  
Tariff & Supplier Administration
