Status Report of Aqua**

Dear Judge Coogan:

Pursuant to the *Continuance Order* issued on September 14, 2021, please accept the Status Report of Aqua Pennsylvania Wastewater, Inc. and Aqua Pennsylvania, Inc. (collectively referred to as Aqua for the purposes of this Status Report).

Aqua's Corrective Action Plan (CAP), which includes a request that Aqua be awarded a specified number of sewer connections in Masthope this year and next year, with the limitation on new connections in Masthope being accordingly modified to permit these connections, is still pending at DEP. Aqua cannot "promise" or approve any connection until DEP rules on the CAP.

If there are any questions, please do not hesitate to contact me.

Very truly yours,

Reger Rizzo & Darnall LLP
