2. Yes and I did fax the information on 7/3/2021 to PECO New Service was received on 7/3/2021 @ 12:16 PM. Realizing and receiving a letter faxed my Drivers License on 7/3/2021 @ 1:45 PM (Proof attached)

3. PECO did not require any information when billing was switched from Elise B. Rice to Charles L. Brown.

4. Because the Person owns a house does not necessarily mean that they reside there.

5. I have no knowledge of this.

6. Charles Brown does not reside at the property. Change of Address card confirmation mailed by U.S.P.S. on July 3, 2021

7. I do have a connection to 17 Roumfort Road. Misinformation - I was not associated with 17 Roumfort Road since November 1988

under the name of Marcella Diggs because the house was not built until 1989. Again Charles does not live at 17 Roundfort Road.

8. ~~The applicant~~ According to 52 PA Code 56.35(b) a public utility may not require as a condition of the furnishing of residential service payment for residential service previously furnished under an account in the name of a person other than the applicant -
~~the~~

9. PG&W? I sent proof to PECO that Charles no longer lived at the address. I am not assuming responsibility for a bill which I did not make an agreement for. Again refer to #8

10. Yes I stated that Charles should continue to pay the outstanding bill that he has with PECO per his payment arrangement. I am willing to bear service in my name and pay that bill. This would give PECO current money for

services currently rendered as well as the money that Charles owes them.

Findings disputed:

1. I did not have an agreement with PECO nor did I apply for or have services in my name at 17 Rumbolt Road during the time in question.

2. Public records are incorrect. Charles does not live at this address.

3. PECO SHOULD NOT HOLD ME RESPONSIBLE FOR A DEBT THAT I DID NOT AGREE TO OR INCUR.
