RE: Gary Bodkin v. Seneca Resources Company, LLC
Docket No. C-2021-3029830

Dear Secretary Chiavetta:

I received via e-mail today, notification of the above-referenced formal complaint filed by Mr. Bodkin. Apparently, the Commission attempted service via Certified US Mail at our former address at 5800 Corporate Drive, Suite 300, Pittsburgh, PA 15237. This attempted service failed as Seneca Resources moved from that address in November 2020 to its new location at 2000 Westinghouse Drive, Suite 400, Cranberry Township, PA 16066 (phone/fax #s and emails all remained the same).

I followed the link provided in the e-mail and logged-in, but received an error message concerning the document the e-mail link was connected to. I then performed a document search for the referenced docket # and was able to view a copy of the returned envelope from Seneca Resources' former address and a copy of the Secretary Letter advising a complaint was filed and an answer/satisfaction was required. Unfortunately, the actual Formal Complaint is neither attached to your posted Secretary Letter nor posted separately as a stand-alone document. As a result, Seneca Resources has yet to be served with the complaint as we have no idea what Mr. Bodkin's complaint is or even what his mailing address is. While electronic service is acceptable, we of course need to receive or be provided access to the complaint in question.

I would greatly appreciate a member of your staff sending me a copy of the complaint via e-mail to trejchel@srcx.com and I can be reached at (412) 548-2537 if there are any other questions or concerns. Thank you for your prompt attention to this matter.

Very truly yours,
