BEFORE THE  
PENNSYLVANIA PUBLIC UTILITY COMMISSION

STANLEY AND EILEEN KRASINSKI	:	
	:	
v.	:	Docket No. C-2021-3028346
	:	
METROPOLITAN EDISON COMPANY	:	

**MOTION OF METROPOLITAN EDISON COMPANY FOR  
JUDGMENT ON THE PLEADINGS**

Metropolitan Edison Company (Met-Ed), by and through its attorneys, Reger Rizzo & Darnall LLP, pursuant to 52 Pa. Code § 5.102, hereby submits its Motion for Judgment on the Pleadings to the Complaint filed by Stanley and Eileen Krasinski (Complainants). Met-Ed avers and represents as follows:

**PROCEDURAL BACKGROUND**

1. The Complainants filed a Formal Complaint, dated August 26, 2021, against “Met Ed and First Energy” disputing the decision to replace overhead transmission facilities for the 72 (Campbelltown-Middletown-North Hershey) 69 kV Transmission Line (Transmission Line). Upon information and belief, the Complainants are a customer of PPL Electric Utilities, Inc. (PPL) and not of Met-Ed.

2. On September 27, 2021, Met-Ed efiled its Answer and New Matter arguing that the Transmission Line is owned exclusively by Mid-Atlantic Interstate Transmission, LLC (MAIT). Met-Ed averred that the Complainants filed against the wrong party.

3. On October 6, 2021, the Complainants responded to the New Matter admitting, *inter alia*, that MAIT is the owner of the Transmission Line. Reply at P. 1.

4. The Formal Complaint was only served on Met-Ed and the caption only lists Met-Ed as the respondent.

5. By Notice, dated November 29, 2021, a Call-in Telephonic evidentiary hearing before Administrative Law Judges Mark A. Hoyer and John Coogan was scheduled for Friday, January 28, 2022.

### **LEGAL STANDARD**

6. In accordance with the Commission's regulations, after the pleadings are closed but within such time as to not delay a hearing, a party may move for judgment on the pleadings. 52 Pa. Code § 5.102(a).

7. A presiding officer should grant a motion for judgment on the pleadings "if the pleadings, depositions, answers to interrogatories and admissions, together with affidavits, if any, show that there is no genuine issue as to a material fact and that the moving participant is entitled to judgment as a matter of law." 52 Pa. Code § 5.102 (d)(1). *Hammerstein v. Lindsay, M.D.*, 655 A.2d 597 (Pa. Super. 1995).

8. When deciding whether a motion for judgment on the pleadings should be granted the court must examine the record in the light most favorable to the non-moving party and all doubts as to the existence of a genuine issue of material fact must be resolved in favor of the non-moving party. *First Mortgage Co. of Pennsylvania v. McCall*, 459 A.2d 406 (Pa. Super. 1983).

9. The Commission's regulations related to a motion for judgment on the pleadings serves judicial economy where no factual dispute exists. If no factual dispute exists, a hearing is wholly unnecessary. 66 Pa.C.S. § 703(b). *Lehigh Valley Power Committee v. Pennsylvania Public Utility Commission*, 563 A.2d 557 (Pa. Cmwlth. 1989).

10. Section 5.102 of the Commission regulations provides for the granting of a Motion where there is no genuine issue as to a material fact and Respondent is entitled to a judgment as a matter of law. 52 Pa. Code § 5.102.

11. Section 701 of the Pennsylvania Public Utility Code (Code), 66 Pa.C.S. § 701, allows any person, having an interest in the subject matter, to file a formal complaint in writing with the Commission setting forth any act or thing done or omitted to be done by any public utility in violation, or claimed violation, of any law which the Commission has jurisdiction to administer. *See also*, 52 Pa. Code § 5.21(a).

12. By *Opinion and Order*, entered August 24, 2016, the Commission approved the Joint Petition for Full Settlement and approved the Joint Application of MAIT, Met-Ed and Penelec and took the following action: (1) issued to MAIT a Certificate of Public Convenience under 66 Pa.C.S. § 1102(a)(3) authorizing the transfer of certain transmission assets from Met-Ed and Penelec to MAIT; (2) a Certificate of Public Convenience conferring upon MAIT the status of a Pennsylvania Public Utility under 66 Pa.C.S. § 102; and (3) approval of certain affiliate Interest Agreements under 66 Pa.C.S. § 2102.

13. Met-Ed is not the owner of the Transmission Line in question.

14. The Complainants have filed against the wrong party.

### **CONCLUSION**

There is no dispute that the owner of the Transmission Line is MAIT. The Complainants have filed against the wrong party. A hearing is not required. Met-Ed is entitled to judgment as a matter of law; judgment on the pleadings is appropriate.

**WHEREFORE**, Respondent, Metropolitan Edison Company, requests that the Commission grant this Motion for Judgment on the Pleadings and dismiss, with prejudice, the Formal Complaint of Stanley and Eileen Krasinski against Metropolitan Edison Company, in its entirety.

Respectfully submitted,

Margaret A. Morris, Esq.
