**Re: Columbia Gas of Pennsylvania, Inc.'s Report on Expenses
R-2020-3018835**

Dear Secretary Chiavetta:

In accordance with Ordering Paragraph No. 21 of the Commission's Order entered on February 19, 2021, issued in the above referenced docket, Columbia Gas of Pennsylvania, Inc. submitted a report on December 1, 2021 providing the Company's actual annual expenses in 2021 for (a) cross bore identification, (b) legacy service line enhancement program, and (c) customer-owned field-assembled riser replacement. Because Columbia's fiscal year is January through December, the December 1, 2021 report only provided the actual expenses incurred by the Company from January 2021 through October 2021. This letter updates the December 1, 2021 report to include November and December 2021 expenses.

- a. The actual annual expenses incurred by the Company for cross bore identification (January 2021 – October 2021): **\$2,618,549**
- b. The actual annual expenses incurred by the Company for its legacy service line enhancement program (January 2021 – October 2021): **\$107,122**
- c. The actual annual expenses incurred by the Company for customer-owned field-assembled riser replacement (January 2021 – October 2021): **\$3,411,791**
