Docket No: C-2022-3021696

Response to Complaint:

Kelleher Trucking LLC, received a complaint filed from the Public Utility Commission for failure to complete the Safety Fitness Rating.

In response to that complaint, Kelleher Trucking LLC, recently submitted all documentation via email that was requested by Officer, David Gill, to [davgill@pa.gov](mailto:davgill@pa.gov) on 1/29/2022 for the Safety Fitness Rating. In that email, we had apologized for the delay as the company has been operating at limited capacity since the Covid-19 pandemic started in 2020 and for other personal reasons. With the pandemic, the owner and sole employee of the company, Michael Kelleher, has been working other employment and was only operating his trucking business on an as needed basis. The company is now in the process of trying to reinstate the business at this time and overcome the losses it faced during the pandemic. This is a new, one-person, small business with profits less than \$10,000 annually. The business owner is in the process of learning and trying to maintain all aspects that are involved with operating a business in the state of Pennsylvania while also working other employment as well.

Respectfully, the company would also like to point out that the Complaint that was issued, has incorrect information stated within it. In item #4 on the complaint letter, it states "That PUC Enforcement Officer David Gill spoke with owner Donald T. Marshall III in early March 2021 and instructed him to email the required documents to obtain the satisfactory safety fitness rating." That is not the correct name of the owner for the business of Kelleher Trucking LLC. The owner of Kelleher Trucking LLC is Michael Kelleher.

With that, Kelleher Trucking LLC will do whatever may be needed to resolve this matter with the Public Utility Commission in a timely manner. Thank you for your consideration to be able to resolve this quickly. Please let us know what are the next steps we are required to complete.

Sincerely,

Michael Kelleher  
Owner of Kelleher Trucking, LLC
