**RE: Docket No. A-2018-3006502 - Environ Energy, LLC:
Request for an Extension of Time to Respond to Information Request.**

Dear Ms. Chiavetta:

On behalf of our client, Environ Energy, LLC (f/k/a “Hospital Energy, LLC”), a New Hampshire limited liability company (the “*Licensee*”), we request an additional thirty (30) days to fully respond to the Commission’s letter of January 6, 2022, requesting from the Licensee additional information, supporting documents, and a filing fee related to its recent name change.

The Licensee’s request for extension is due to an unanticipated delay in receiving an updated Financial Security Instrument, listing its new name, for filing with the Commission. Although the Licensee anticipates receiving the updated Financial Security Instrument shortly, Licensee is requesting a thirty (30) day extension because the Licensee’s insurance broker is unable to provide it with a firm delivery date.

Thank you for your prompt attention to this matter. Should you have any questions, please do not hesitate to contact me directly.

Very truly yours,

Mark W. Dell'Orfano
