Re: Pennsylvania Public Utility Commission
v.
Columbia Gas of Pennsylvania, Inc.

Docket No. R-2021-3024296

Dear Secretary Chiavetta:

After further consideration, I believe, customers Columbia Gas and I have been mistreated in this rate case by the Pennsylvania Public Utility Commission as Ordered on December 16, 202, considering the magnitude of this rate case, **I withdraw** my PETITION OF RICHARD C CULBERTSON FOR RECONSIDERATION of January 14, 2022.

The issues have not gone away, I have decided to submit a "Petition to Review" before the Pennsylvania Commonwealth Court.

Eventually we all need to perform from the same sheet of music. I am referring to governance standards. These are Standards for Internal Control in the Federal Government [and Pennsylvania] issued by Gene L. Dodaro, Comptroller General of the United States. This is the governance standard for all of our country's governments including the Pennsylvania Public Utility Commission. At the top levels they are effective and efficient operations, reliable reporting, compliance with laws and regulations and safeguarding of assets. We do need to get on the same page.

Operating to this governance standard should come from the Commission rather than other Pennsylvania or Federal government authorities. If the Commission wants to deal with me outside of Court on this rate case, I would welcome that.

Copies have been served per the attached Certificate of Service.

Respectfully submitted,

Richard C. Culbertson
