RE: Letter of Notification of PECO Energy Company, Filed Pursuant to 52 Pa. Code Chapter 57 Subchapter G, for Approval to Construct a New Transmission Monopole in the Borough of Norristown, Montgomery County, Pennsylvania that Will Replace an Existing Monopole that will Conflict with the PennDOT Barbados Street Connector Road - Docket No. A-2021-3024714

Dear Secretary Chiavetta:

On April 15, 2021, the Commission issued an Order approving the above-captioned Letter of Notification related to construction of a monopole on PECO Energy Company's (PECO or the Company) 220-64 230 kV Transmission Line. The Commission ordered, "That upon completion of the subject project, PECO Energy Company shall submit the final project cost to the Commission." The work is now complete, with an in-service date of April 22, 2021, and PECO hereby submits the required cost information.

By way of background, in PECO's Letter of Notification, filed on March 15, 2021, the Company stated that the total estimated cost for the Proposed Project is approximately \$1.1 million and that all costs will be reimbursed by PennDOT. Application ¶¶ 11, 12. The work was completed at a cost of \$324,666.26 due to a reduction in the scope of the project.

Should you have any questions, please do not hesitate to contact me.

Respectfully submitted,

Jennedy S. Johnson
