**Re: Pennsylvania Public Utility Commission, Bureau of Investigation & Enforcement v. LAEL D DUEY  
T/A DUEY HAULING**

To Whom It May Concern:

By Secretarial Letter dated March 22, 2021, the Commission sustained the Complaint filed against you at C-2020-3023398. You were fined \$500.00 for failure to maintain evidence of insurance and file an answer. The Commission also cancelled your operating authority as a common carrier of property at Certificate No. A-8919377.

This Commission has the power to rescind a Secretarial Letter in light of newly discovered evidence or a change of circumstances which justify reconsideration. It has been determined that you attempted to cancel the authority prior to the cancellation of the insurance. For this reason, the Commission will grant your petition to rescind the fine and notify PennDOT to release the holds on vehicle registrations.

**The \$500.00 fine is hereby rescinded and PennDOT will be notified to release the holds on vehicle registrations; however, the authority at Utility Code No. A-8919377 will remain cancelled**

Very truly yours,

Rosemary Chiavetta,  
Secretary
