Re: Municipal Contract between PECO Energy Company and Royersford Borough,
Pennsylvania.

Dear Ms. White:

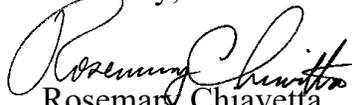

On October 29, 2021, PECO Energy Company (PECO) filed a Bill of Sale (Agreement) with the Borough of Royersford (Royersford) to transfer ownership of a 700-foot portion of the Royersford Trestle Bridge. In exchange, PECO will be absolved of the responsibility of maintaining the bridge and be granted an easement over the remaining portion of the bridge. The Agreement was filed pursuant to 66 Pa. C.S. § 507. On November 17, 2021, the Commission initiated a proceeding to review the Agreement pursuant to §507.

Upon review, the Agreement appears to be reasonable and consistent with the public interest and the Agreement is hereby approved. However, approval of the agreement does not preclude the Commission from investigating, during any formal proceeding, the reasonableness of this Bill of Sale.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §5.44, file a petition with the Commission within (20) days of the date of this letter.

Please direct any questions to Jordan Van Order, Bureau of Technical Utility Services at (717) 787-8763.

Sincerely,

Rosemary Chiavetta
Secretary
