RE: Letter of Notification of PECO Energy Company, Filed Pursuant to 52 Pa. Code Chapter 57 Subchapter G, for Approval to Replace One Structure in Plymouth Township, Montgomery County, Pennsylvania  
Docket No. A-2021-3027998

Dear Secretary Chiavetta:

On October 7, 2021, the Commission issued an Order approving the above-captioned Letter of Notification related to the replacement of one structure in Plymouth Township, Montgomery County, Pennsylvania on PECO Energy Company's (PECO or the Company) 130-35 Transmission Line. The Commission ordered, "That upon completion of the subject project, PECO Energy Company shall submit the final project cost to the Commission." The work is now complete, with an in-service date of November 19, 2021; however, PECO anticipates that final costs for this (and all other LONs) will not be finalized until approximately six months after the project is completed. The six-month lag ensures that all costs are fully accounted for and paid in our systems, all invoices from vendors and suppliers have been received, and the project financials are closed out.

In PECO's Letter of Notification, filed on August 18, 2021, the Company stated that the total estimated cost for the project was approximately \$500,000. Application ¶ 11. Costs to date are \$432,363.96. PECO will submit final project costs to the Commission after the project financials are closed out.

Should you have any questions, please do not hesitate to contact me.

Respectfully submitted,
