Request for an Extension of Time to Respond to Information Request.**

Dear Ms. Chiavetta:

On behalf of our client, Environ Energy, LLC (f/k/a “Hospital Energy, LLC”), a New Hampshire limited liability company (the “*Licensee*”), we request an additional thirty (30) days to fully respond to the Commission’s letter of January 6, 2022, requesting from the Licensee additional information, supporting documents, and a filing fee related to its recent name change.

The Licensee’s request for extension is due to an unanticipated delay in receiving an updated Financial Security Instrument, listing its new name, for filing with the Commission. Although the Licensee anticipates receiving the updated Financial Security Instrument shortly, Licensee is requesting a thirty (30) day extension because the Licensee’s insurance broker is unable to provide it with a firm delivery date.

Thank you for your prompt attention to this matter. Should you have any questions, please do not hesitate to contact me directly.

Very truly yours,

Mark W. Dell'Orfano

RE: Electric Generation Supplier License Application Amendment for a Name Change

Dear Mr. Dell'Orfano:

On November 8, 2021, Hospital Energy, LLC (Hospital Energy) filed an application amendment for a name change to its Electric Generation Supplier license with the Public Utility Commission. On January 6, 2022, the Commission issued a set of data requests to acquire missing information because the application amendment was incomplete. The set of data requests stated that failure to respond within 30 days may result in the application amendment being denied.

On February 7, 2022, Hospital Energy filed a letter with the Commission requesting that the due date for its submission of responses to the set of data requests be extended for an additional 30 days. Hospital Energy stated that it needed additional time to acquire and provide an updated financial security instrument.

The request for an additional 30-day extension to provide an updated financial security instrument is not unreasonable. Additionally, the request for an extension is uncontested. Therefore, your request for a 30-day extension is hereby approved.

Please direct any questions to Jeff McCracken, Bureau of Technical Utility Services, Energy Industry Group, at [jmccracken@pa.gov](mailto:jmccracken@pa.gov) (preferred) or (717) 783-6163.

Sincerely,
