

To whom it may concern,

Regarding the initial decision for case #C-2021-3029690....I am respectfully requesting a re-scheduling of hearing due to lack of notice by defendant (American Water) and/or PUC advising me of date and time of hearing...I anxiously awaited any form of communication advising of the aforementioned but never received any information.... please reach me by phone at 484-400-1542 to re-schedule at your earliest convenience...

Cordially yours,

Jorge Santiago
