5% Financial Security Annual Compliance Filing for 2022

Dear Secretary Chiavetta:

EnerPenn USA, LLC d/b/a Y.E.P., d/b/a YEP Energy (“EnerPenn”) hereby files its 5% Financial Security Annual Compliance Filing for 2022.

EnerPenn requests that Appendices A-E be treated as Confidential Documents because they contain Proprietary Information and/or Trade Secrets. Consistent with 52 Pa. Code § 1.32(b)(4), those documents are being filed separately.

Background

EnerPenn is a limited liability company organized in the State of Texas. EnerPenn is registered to do business in Pennsylvania and is licensed as an electric generation supplier (“EGS”) throughout the Commonwealth of Pennsylvania.

EnerPenn has been a licensed EGS for more than ten years. It was licensed in November 2011 and has maintained its license in good standing since that time.

EnerPenn filed a Petition to Reduce its Security Requirement on October 2, 2015. By Secretarial Letter dated October 26, 2015, the Commission granted the Petition. The Commission has continued the reduction of EnerPenn’s security requirement since that date by Secretarial Letters dated March 6, 2017, August 24, 2017, and August 29, 2018, and by e-mails of July 11, 2019 and March 26, 2020. EnerPenn filed its 5% Annual Compliance Filing for 2021 on March 19, 2021. By email of April 2, 2021, staff of the Commission’s Bureau of Technical Utility Services (“TUS”) advised EnerPenn that its 2021 filing was approved.
