TUS Data Request Set 1  
Application of Remington & Vernick Engineers II, Inc. to Register as a Utility Valuation  
Expert at Docket No. A-2022-3030676

Note: Please restate the data request prior to providing a response. In addition, provide the name and title of the person(s) providing the response and/or information for each data request.

- A-1. The Application's responses to Question No. 6 checked both boxes for this question's two subparts. However, the corresponding WWDC and UVE information was not provided. Please amend the Application's responses for Question No. 6 to either check the boxes and include the required WWDC and UVE information or to not check boxes and insert "NONE" for each subpart of Question No. 6 if not applicable.
- A-2. The Application does not identify the name of the registered agent required as part of Question No. 10.a. Please amend the Application's response for Question 10.a. to include the name of the Applicant's registered agent.
- A-3. The Application's Attachment E did not include copies of professional licenses or certificates for the individuals that will be providing utility valuation or appraisal services. Please provide copies of professional licenses and certifications for the individuals that will be directly responsible for providing utility valuation or appraisal services on behalf of the Applicant. Also, if these responsible individuals will rely on others for their professional licenses or certifications, please provide copies of such professional licenses and certifications.
- A-4. Section G of the instructions accompanying the Application for Registration as a Utility Valuation Expert requires applicants to provide a complete copy of the Application including exhibits to the Office of Consumer Advocate and the Office of Small Business Advocate (Statutory Advocates). The Application does not indicate that a copy was provided to the Statutory Advocates. Please verify that a complete copy of the Application was served on the Statutory Advocates.
