514 ALEXANDER AVENUE  
DREXEL HILL PA 19026

Dear Applicant:

On March 15, 2022, the Commission received the Application of **PHILALIMOSERVICE, LLC**. Upon initial review, the Application has been determined to be deficient for the following reason(s):

- 1) **Your description of the proposed service area is incorrect. You stated, “to transport as a common carrier, persons in limousine service between points in the Commonwealth of Pennsylvania.” You need to state where the service is to originate. Please explain.**
- 2) **Question #5 of the Verified Statement of Applicant is not answered regarding the number of drivers you intend to use or hire in your business. Since you are requesting the proposed service area as the “Commonwealth of Pennsylvania”, your answer of “to be determined” is unacceptable. You need to justify your request for the proposed service area to ensure reliable and efficient service to the public. Please answer the question.**
- 3) **Question #6 of the Verified Statement of Applicant is not answered at all. There is no vehicle information. You stated in your answer to Question #4, that you intend to begin service with one vehicle. You also need to explain how one vehicle will serve the needs of the public in the entire Commonwealth of Pennsylvania in a reliable, efficient, and timely manner.**
- 4) **Statement of Financial Interest is unacceptable. The Statement must be dated. A new Statement of Financial Interest must be filed.**

Pursuant to 52 Pa. Code §1.4, you are required to correct these deficiencies. Failure to do so within ten (10) days of the date of this letter will result in the Application being dismissed; and, the \$350.00 application fee **will not** be refunded. You must then file a new application.
