COMPLAINT

The Pennsylvania Public Utility Commission (Commission) is a duly constituted agency of the Commonwealth of Pennsylvania empowered to regulate public utilities within the Commonwealth. The Commission has delegated its authority to initiate proceedings which are prosecutory in nature to the Bureau of Investigation and Enforcement and other bureaus with enforcement responsibilities. Pursuant to that delegated authority and Section 701 of the Public Utility Code, the Bureau of Investigation and Enforcement hereby represents as follows:

1. That ROWE TRANSPORTATION GROUP LLC, Respondent, maintains a mailing address at 546 Hollow Road, Beaver, Pennsylvania, 16115.
2. That Respondent was issued a certificate of public convenience by this Commission authorizing transportation of property goods for compensation on November 1, 2021, at PUC utility code no. 6423358.
3. That Respondent, by Commission Secretarial letter dated August 11, 2020, was advised, *“If you have not previously submitted a copy of a current satisfactory safety rating from the U.S. Department of Transportation or another state with safety regulations comparable to Pennsylvania, you must demonstrate safety fitness by completing a Safety Fitness Review which will be scheduled by a PUC enforcement officer.... Failure to submit to the Safety Fitness Review will result in the cancellation of your certificate.”*
4. That between November 8, 2021, and March 11, 2022, PUC Motor Carrier Enforcement Officer Andrew Rosenberger attempted several times to contact Respondent and left voicemail messages requesting that Respondent contact him to schedule the Safety Fitness Review (SFR). After no contact, a certified letter was mailed on February 7, 2022, requesting Respondent contact Officer Rosenberger and schedule the SFR within ten days. The USPS tracking system indicates the certified letter was delivered and signed by Respondent.
5. That Respondent, by failing to achieve a satisfactory evaluation on a safety fitness review, violated 66 Pa. C.S. §501(c) and, for failure to maintain adequate, efficient, and safe service and facilities, violated 66 Pa. C.S. §1501. The penalty for this violation is cancellation of the certificate held by Respondent with this Commission at utility code no. 6423358.

WHEREFORE, the Bureau of Investigation and Enforcement hereby requests that the Commission revoke the certificate of public convenience issued ROWE TRANSPORTATION GROUP LLC at PUC utility code no. 6423358.

Respectfully submitted,
