Re: Pa. PUC., *et al.* v. The Borough of Hanover-Hanover Municipal Water Works

Dear Mr. Niesen:

By Order entered February 3, 2022, the Commission authorized The Borough of Hanover-Hanover Municipal Water Works (the Company) to file a tariff supplement in substantially the same form as that attached as Appendix "A" to the Joint Petition for Approval of Settlement of Rate Investigation filed in the above docket, including a revision to include existing monthly base charges, designed to produce additional annual operating revenues of not more than \$1,044,980. On March 18, 2022, the Company filed Supplement No. 34 to Tariff Water Pa. P.U.C. No. 3 to become effective March 28, 2022 in accordance with the order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 34 to Tariff Water Pa. P.U.C. No. 3 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Rosemary Chiavetta
Secretary
