**RE: Smart Meter Charge
Effective April 1, 2022
M-2022-3031477**

Dear Mr. Zimmerman:

The Bureau of Audits has reviewed Duquesne Light Company's proposed rates and the supporting rate computations submitted on March 18, 2022 to become effective on April 1, 2022. The supporting rate computations indicate that the rates will remain unchanged; therefore, the company did not file a tariff supplement.

Based upon staff review, it appears that the proposed Smart Meter Charge (SMC) rates for the three-month period of April 1, 2022 through June 30, 2022 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The SMC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3031477.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.
