

To whom it may concern,

Inova Energy, DOCKET NO. A-2021-3025116, was approved December 2, 2021, to supply power under Pike County Light and Power. Inova Energy is now applying to NYISO and not PJM. Under Pike County Light and Power, Inova Energy has to use NYISO and not PJM. Unlike PJM, NYISO requires that suppliers first receive either the PA PUC supplier license or NY PSC Supplier license before they apply to NYISO.

Inova Energy will submit our NYISO license to the PA PUC once we receive it. NYISO has stated via email that it should take Inova Energy about one month to receive our NYISO approval. The email is below from NYISO.

Inova will update the commission in 3 weeks as to the progress of the NYISO application.

Thanks,
