Pursuant to the provisions of the Rules of Practice and Procedure of the Pennsylvania Public Utility Commission (“PUC” or “Commission”), 52 Pa. Code §§ 5.61-5.76, the Coalition for Affordable Utility Services and Energy Efficiency in Pennsylvania (“CAUSE-PA”), through its counsel at the Pennsylvania Utility Law Project, hereby petitions the Pennsylvania Public Utility Commission (“Commission”) to intervene and files its Answer in the above-captioned proceeding. In support thereof, CAUSE-PA states as follows:

1. On March 31, 2022, PECO Energy Company – Gas Division (“PECO” or the “Company”) submitted a rate filing, PECO’s Tariff Gas – Pa. P.U.C. No. 5 (“Tariff No. 5”), which proposes to increase overall rates by approximately \$82.1 million per year, or by 9.1% on the basis of total Pennsylvania jurisdictional gas operating revenue. According to the Company, the total bill for a residential customer who uses 80 CcF (hundred cubic feet) per month would increase by \$12.39 – from \$95.31 to \$107.70, or by 13.0%. (Volume I, Notice of Proposed Natural Gas Rate Change).

Petition to Intervene

2. Eligibility to intervene in Commission proceedings is governed by 52 Pa. Code § 5.72, which provides in relevant part that “[a] petition to intervene may be filed by a person claiming a right to intervene or an interest of such nature that intervention is necessary or appropriate to the administration of the statute under which the proceeding is brought.” 52 Pa. Code § 5.72(a).

3. Section 5.72 further provides that the right or interest may be one “which may be directly affected and which is not adequately represented by existing participants, and as to which the petitioner may be bound by the action of the Commission in the proceeding.” 52 Pa. Code. § 5.72(a)(2).

4. Even though Section 5.72 speaks of the rights of a “person” to intervene, the Commonwealth Court has consistently stated that “an association may have standing as a representative of its members ... as long as an organization has at least one member who has or will suffer a direct, immediate, and substantial injury to an interest as a result of the challenged action, [i.e., is aggrieved, the organization] has standing.” Energy Cons. Council of Pa. v. Pa. PUC, 995 A.2d 465, 476 (Pa. Commw. 2010) (alteration in original) (citing Tripps Park v. Pa. PUC, 415 A.2d 967 (Pa. Commw. 1980); Parents United for Better Schools v. School District of Philadelphia, 646 A.2d 689 (Pa. Commw. 1994)).

5. CAUSE-PA is an unincorporated association of low and moderate income individuals that advocates on behalf of its members to enable consumers of limited economic means to connect to and maintain affordable water, electric, heating, and telecommunication services.

6. CAUSE-PA membership is open to moderate and low income individuals residing in the Commonwealth of Pennsylvania who are committed to the goal of helping low income families maintain affordable access to utility services and achieve economic independence.

7. CAUSE-PA is located, c/o the Pennsylvania Legal Aid Network, at 118 Locust Street, Harrisburg, PA 17101.

8. CAUSE-PA has a significant interest in the impact that PECO’s proposed rate increase will have on moderate and low income residential customers. These interests are not adequately represented by other participants.

9. Members of CAUSE-PA are located within PECO’s service territory and will be directly affected by the outcome of this proceeding. Particularly, this proceeding will affect the price that CAUSE-PA members pay for gas service as well as the reliability and quality of that service.

10. CAUSE-PA has standing to intervene because its members have or will suffer a direct, immediate, and substantial injury to an interest as a result of this proceeding. See Energy Cons. Council of Pa., 995 A.2d at 476.

11. CAUSE-PA is represented in this proceeding by:

Answer

13. CAUSE-PA has preliminarily reviewed PECO's rate filing and objects to PECO's request on the grounds that the proposed rate increase could result in unjust and unreasonable rates that would impose economic hardship on low and moderate income residential customers. This is especially true in light of the ongoing pandemic, which has created widespread and deep economic hardship across the Commonwealth.

14. Continued delivery of safe, affordable gas service is of critical importance to the safety, welfare, and economic stability of all Pennsylvanians – particularly those with limited financial means. In recognition of this fact, the law requires that utility services, including natural gas services, will be universally available at an affordable rate, and that all universal service programs be developed, maintained, and appropriately funded to ensure such affordability. See 66 Pa. C.S.

§ 2203(3), (8). PECO's general rate increase, and specifically its proposal to significantly increase its fixed residential customer charge, could have a disparate impact on households with limited economic means and will undermine bill savings achieved through adoption of energy efficiency and conservation measures.

15. CAUSE-PA asserts that these matters, and any future modifications presented by intervening parties, must be thoroughly reviewed and investigated to ensure that all customers are able to access safe, affordable natural gas service within the PECO gas service territory.

WHEREFORE, CAUSE-PA respectfully requests that the Commission enter an order granting CAUSE-PA full status as an intervener in this proceeding with active party status.

Respectfully submitted,
