RE: PA American Water's application for Elk Township Franchise Territory Expansion

To Whom It May Concern;

We, the Clarion County Board of Commissioners, are in support of Pennsylvania American Water's franchise territory expansion in Elk Township, more specifically including these premises: 11308, 11374, and 11355 State Route #208 Shippenville, PA 16254 and hope their application is seriously considered by the Pennsylvania Public Utility Commission.

Completing this project would give more Clarion County residents in Elk Township access to public sewage, and after reviewing letters from residents who are in favor of connecting to the public sewage this expansion would provide and after reviewing the application, we as the Clarion County Commissioners stand behind it.
