Good afternoon Judge Vero,

I'm reaching out to see where we were with case above.

I have not heard from PECO about the Gasline upgrades impacting my address, however, people who live on neighboring streets have been notified of upcoming work in 2022.

My concern is PECO testified to projects to be completed in the first half of 2022 to address improvements to gas so I (Michael Liddy 211 W Court Street) can connect my generator! I have not been notified of anything as of today 2/22/2022.

Good morning Mr. Liddy,

I have inquired about your generator with our engineering team. I have been advised that you can resubmit your application during the first week of April. Thereafter, PECO will coordinate with you to conduct a site visit at your property.

In order to expedite the process, you can submit your application directly to Samantha Comerota: [samantha.comerota@exeloncorp.com](mailto:samantha.comerota@exeloncorp.com)

Enjoy your day,
