March 25, 2022

Judge Ciel

Yesterday, Thursday, March 24 your timeline for my electric bill came back to me. I had taken CAT Para transit to State Representative Kevin Boyle office to have both two sets to send to you and counselor.

The second mailing was done in front of Saint Timothy of Rectory with a letter to each accident you stating there was an accident and part of my fence (wrought iron) and the little ledge was partially destroyed.

My thoughts are: if this is to be a "Fair Hearing" you have to understand I have two cataracts and I read March 25 at 10:00 a.m. I do not do well with numbers

Docket Number 2022-3030427

On March 21, 2022, I came down early to make a few notes and then is when I realized the hearing date was March 15, 2022. I called the OJC and she said "she would send you the message."

Counselor was through in bath by Ted E. and I sincerely hope that my message was received to you through the OJC. I have not received anything yet from either you, your son or Counselor.

I was seen by Dr. Weldon at Eye Options and the telephone number is 215-745-1444. My last appt was November 17, 2021.

Respectfully,
Mary Regina Messer
