Re: Retail Electricity Choice Sales Activity Report for 2021  
Direct Energy Business Marketing, LLC; Docket No. A-2013-2368464

Dear Secretary Chiavetta:

The purpose of this correspondence is to inform you that Direct Energy Business Marketing LLC's ("Direct Energy") will not be filing a Retail Electricity Choice Sales Activity Report for 2021. The Retail Electricity Choice Sales Activity Report is a mandatory report for all active electric generation suppliers ("EGSs") to report retail sales activity on a statewide basis. The term "active EGS" is defined by the Commission as "an EGS that is licensed to provide retail electric generation service and is providing that service to one or more customers." As Direct Energy did not serve any customers in 2021, the entity is not required to submit a Retail Electricity Choice Sales Activity Report.

If you have any questions regarding this filing, please contact me.

Very truly yours,

*Sarah C. Stoner*
