RE: C-20213029830

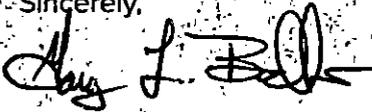

Gary Bodkin v. Seneca Resources

Dear Ms. Chiavetta:

Having had the opportunity to discuss the above referenced case with the Counsel for Seneca Resources, it would be inappropriate to pursue this case against them. While the vibration/Kinetic Energy Release/Audible hum at issue still exists, it is evident the landowner is not the cause.

Therefore, I respectfully request the case be withdrawn without prejudice.

Sincerely,

4.25.2022

Gary L. Bodkin
