Application of the Department of Transportation of the Commonwealth of Pennsylvania for approval to alter the crossings where State Route 3104 crosses, above grade, the tracks of CSX Transportation Inc. (DOT 584 825 U), Norfolk Southern Railway Company (DOT 507 455 K), and the Pittsburgh and Ohio Central Railroad Company (DOT Unknown) in the City of Pittsburgh, Stowe Township and McKees Rocks Borough, Allegheny County.

To Whom It May Concern:

Paragraph 3 of the Commission's Secretarial Letter dated March 10, 2021, directed that detailed construction plans for the project involved herein be submitted for approval.

The detailed construction plans were received by the Commission on May 11, 2022, with the Pennsylvania Department of Transportation averring that a copy was sent electronically on all parties of record. The plans are identified as "COMMONWEALTH OF PENNSYLVANIA DEPARTMENT OF TRANSPORTATION DRAWINGS FOR CONSTRUCTION OF STATE ROUTE 3104 SECTION A03" and consist of eighty-three (83) sheets.

Pennsylvania Department of Transportation requests an expedited review and approval of the forementioned plans to meet a project letting deadline. Therefore, the parties have not had an opportunity to consider the matter and respond. However, this Secretarial Letter will be issued to all the parties of record and will therefore provide for an opportunity to response within twenty days of this Secretarial Letter issuance date.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and approves the detailed construction plans submitted by the Pennsylvania Department of Transportation.

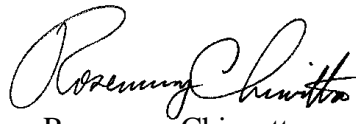

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

The Commission has waived certain regulatory service provisions as directed by the Commission's Order at M-2021-3028321. Currently, while the Commission's physical facilities are open for business, some of the operational restraints occasioned by the pandemic remain. It is evident that the pandemic and its changing nature require certain procedural flexibility for the public, the regulated community, and the Commission. Toward this end, the Commission will continue to permit electronic service by the Commission on all parties, regardless of whether a particular party has agreed to electronic service. An exception to this general waiver is where the Public Utility Code requires service by specified means, e.g., Section 702. Additionally, service on Commission staff in proceedings pending before it, whether staff is a party or otherwise, shall be exclusively electronic unless the parties agree otherwise. Filings must be submitted by e-filing with the Secretary of the Commission by opening an e-filing account through the Commission's website and accepting eservice at <https://www.puc.pa.gov/filing-resources/efiling/>. If your filing contains confidential material, you are required to file by overnight delivery to ensure the timely filing of your submission.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §§ 1.31 and 5.44, file a Petition for Reconsideration from Staff Action (Petition) with the Commission within twenty (20) days of the date of this letter. The Petition shall be submitted by e-filing said petition within twenty (20) days, or if no timely request is made, the action will be deemed to be a final action of the Commission.

The Petition MUST include: (1) a written statement (divided into numbered paragraphs) outlining the reasons for the request; (2) the case docket number (it is provided for you at the top right hand corner of this letter); (3) the party on whose behalf the petition is made; (4) a Certificate of Service on the other parties of record; and (5) a Verification with original signature in accordance with 52 Pa. Code § 1.36.

Very truly yours,
