**Re: SUNOCO PIPELINE L.P.'S PLAN TO ENHANCE PUBLIC AWARENESS  
AND EMERGENCY RESPONSE.**

Dear Ms. Snyder:

By Commission Order entered November 18, 2021 (Order)<sup>1</sup>, Sunoco Pipeline L.P. (Sunoco) was directed to file a written plan to enhance its public awareness and emergency notification plans within 120 days of the date Final entry of the order, including but not limited to addressing: a) direct notifications to municipalities, counties, and School Districts in high consequence areas of any leak, breach or other pipeline emergency; b) supplemental program enhancements to emergency training programs; c) a plan to internal or external audits to evaluate the effectiveness of its programs; and d) corrective action plans to address any insufficiencies or weaknesses revealed through its evaluations and audits.

On March 18, 2022, Sunoco filed a Plan to Enhance Public Awareness and Emergency Response (Plan). This Plan was filed within the 120-day deadline and contains all four elements required by ordering paragraph 21 of the Order. Accordingly, Sunoco appears to have substantially complied with the directives of the Order and the plan is accepted and approved.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition with the Commission within twenty (20) days after the date of this letter. Please direct any questions regarding this filing to Matthew Stewart of the Bureau of Technical Utility Services at [mattstewar@pa.gov](mailto:mattstewar@pa.gov).
