RE: Abandonment of Act 127 Pipeline Registration

Dear Mr. Minutillo:

This letter serves to acknowledge your notification to the Pennsylvania Public Utility Commission (Commission) of the abandonment of Markwest Liberty NGL Pipeline, LLC's (Markwest NGL) assets per Act 127.

On May 2, 2022, Markwest NGL requested the cancellation of its Act 127 registration in Pennsylvania. Markwest NGL provided its Operator Identification Number (OPID) under the U.S. Department of Transportation Pipeline and Hazardous Materials Safety Administration (PHMSA). Markwest NGL stated that under its OPID its assets were made up of pipelines not under the jurisdiction of Act 127.

The Commission confirmed that the pipeline assets reported by Markwest NGL are non-jurisdictional. Accordingly, we will remove Markwest NGL from the Commission's list of Act 127 registrants.

The Commission reminds Markwest NGL that were it to acquire any jurisdictional assets in the future, it must file an Initial Registration Form with the Commission in order to comply with the mandates of Act 127.

Please direct any questions to Lee Yalcin, Financial Analyst, Technical Utility Services at email lyalcin@pa.gov (preferred) or (717) 787-6723.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta". The signature is fluid and cursive, with the first name being more prominent.
