**RE: Abandonment of Act 127 Pipeline Registration**

Dear Mr. Minutillo:

This letter serves to acknowledge your notification to the Pennsylvania Public Utility Commission (Commission) of the abandonment of Markwest Liberty Ethane Pipeline, LLC's (Markwest Liberty) assets per Act 127.

On May 2, 2022, Markwest Liberty requested the cancellation of its Act 127 registration in Pennsylvania. Markwest Liberty provided its Operator Identification Number (OPID) under the U.S. Department of Transportation Pipeline and Hazardous Materials Safety Administration (PHMSA). Markwest Liberty stated that under its OPID its assets were made up of pipelines not under the jurisdiction of Act 127.

The Commission confirmed that the pipeline assets reported by Markwest Liberty are non-jurisdictional. Accordingly, we will remove Markwest Liberty from the Commission's list of Act 127 registrants.

The Commission reminds Markwest Liberty that were it to acquire any jurisdictional assets in the future, it must file an Initial Registration Form with the Commission in order to comply with the mandates of Act 127.

Please direct any questions to Lee Yalcin, Financial Analyst, Technical Utility Services at email [lyalcin@pa.gov](mailto:lyalcin@pa.gov) (preferred) or (717) 787-6723.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta". The signature is fluid and cursive, with the first letter of each name being significantly larger and more decorative.
