**Re: Phase IV Energy Efficiency and Conservation Surcharge  
Effective June 1, 2022  
M-2022-3032228**

Dear Mr. Zimmerman:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 46 to Tariff Electric-Pa. P.U.C No. 25 and the supporting rate computations submitted on April 29, 2022 to become effective June 1, 2022.

Based upon staff review, it appears that the proposed Phase IV Energy Efficiency and Conservation (EE&C) rates for the twelve-month period of June 1, 2022 through May 31, 2023 are consistent with the tariff, and accordingly, are permitted to become effective as filed.

The EE&C is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3032228.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.

Rosemary Chiavetta  
Secretary
