ALLENTOWN PA 18101-1179**

**RE: Generation Supply Charge-2  
Effective June 1, 2022  
M-2022-3032271**

Dear Ms. Klock:

The Bureau of Audits has reviewed PPL Electric Utilities Corporation's proposed Generation Supply Charge-2 (GSC-2) rate computations submitted on May 2, 2022, to become effective on June 1, 2022. No tariff was filed because the GSC-2 rates are not specified in the tariff rider.

Based upon staff review, it appears that the proposed GSC-2 rates for the twelve-month period of June 1, 2022 through May 31, 2023, are permitted to become effective as filed.

The GSC-2 is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2022-3032271.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being more prominent.

Rosemary Chiavetta  
Secretary
